PART I.

JUDICIAL.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Judicial),—dated 3rd September 1893.

READ :—

Letter dated 9th August 1893, from the Superintendent, Mysore Gold Mining Company, Urigum, acknowledging receipt of a copy of Judgment passed by the Special Magistrate of the Kolar Gold Fields in Criminal Case No. 342 of 1892-93 and stating that every precaution has been taken to prevent thefts with the observation that the theft in question was committed under the most exceptional circumstances anterior to his taking charge, and inviting attention to the fact that if the sentences were made more severe in cases clearly proved, the thefts would be materially lessened still further, less as they are at present compared with the past.

READ ALSO :—

Letter from the Secretary, Kolar Gold Field Mining Board, dated 3rd August 1893 on the same subject and to the same effect and further forwarding a list of recent cases showing the punishment awarded in them.

No. 4268-70—J. 439, DATED, BANGALORE, 3RD SEPTEMBER 1893.

ORDER THEREON.—The letters above read will be forwarded to the Deputy Commissioner and District Magistrate of Kolar for information and return. Where to steal is easy and detection is difficult and prevention equally difficult as is the case in the Kolar Gold Fields, punishment on conviction should, no doubt, be proportionately severe; but it is observed that, in many of the cases referred to in the list submitted by the Secretary, Kolar Gold Fields Mining Company, the accused were juveniles and, for their *first* conviction, whipping was the most appropriate punishment. In the other cases in which imprisonment for short terms is said to have been awarded, the facts are not before Government. The Deputy Commissioner will however be instructed to move the Chief Court for enhanced punishment in one or two special cases in which the Magistrate may in the future fail to award sentences sufficiently severe to be equally punitive and deterrent.

Chief Secretary.

READ :—

Letter No. 1519—15, dated 11th April 1893, from the Registrar of the Chief Court of Mysore, forwarding for information of the Government copy of the following order passed by the Chief Court in Revision case No. 49 of 1893 :—

ORDER.

The Chief Judge.—The accused were convicted of theft under Section 379, Indian Penal Code, for having captured and removed a quantity of fish from a Government Tank, the fishery in which has been reserved by Government under Rule X, cl 6 of the Rules published by Government under the Mysore Land Revenue Code or Regulation of 1888.

2. The District Magistrate doubted the propriety of the conviction and referred to the Ruling of the Madras High Court, dated 23rd October 1878, No. 1759.

3. Considering the importance of the case, we called for the Proceedings and gave notice to the Assistant Government Advocate, who simply relied on the ruling of the Madras High Court quoted above and left the case in the hands of this Court.

4. The view taken by the Madras High Court was, that fish living in an open Irrigation Tank could not be said to be in possession in such a sense as to render their capture and removal from such open reservoirs a theft, and that if any right, as the right of catching the fish in such reservoirs sold by Government to others, was violated, by the removal of the fish, the remedy was a civil action. The court further observed that in England, it was only under special statutes that such an act was punishable.

5. The Ruling of the Madras High Court is, in my opinion, not applicable to this case. The Tank in question is the property of Government within the meaning of Section 36 of the Mysore Land Revenue Code. The Magistrate has found that it has been reserved by Government and the right of fishing in it by private individuals without license or sale by Government has been prohibited. The Tank may therefore be regarded as a *reserved* Tank, under the supervision and control of the Deputy Commissioner. The right to the Tank and fishery in it is vested by law in Government who have delegated the power to the Deputy Commissioner. The case reported in I. L. R. 10, Bombay, p. 193, is analogous to the present. And as remarked in that case, the fish in the Tank (enclosed by the Municipality, or reserved as in this case, and especially taken care of by Deputy Commissioner for Government) were "restrained of their natural liberty and liable to be taken at any time according to the pleasure of the owner and were, therefore, upon principle and according to the better opinions, subjects of theft"—(2 Russell on Crimes 303). "If the fish were unable to escape from the Tank, they were practically in the power or dominion of the prosecutor." The rule, that wild birds or animals are not objects of theft as they are not capable of being in possession, is inapplicable to fish kept or restrained in a tank, which has been specially reserved and conserved by Government, so as to prevent private individuals removing the fish without permission or license. I would therefore not interfere with the conviction.

A. Ramachandra Iyer, Esq.—The record of this case was called for by ourselves, and we have not had the advantage of hearing arguments on both sides. The Judgment of the Bombay High Court referred to by the learned Chief Judge does not dissent from the Judgment of the Madras High Court. The Judges simply made a distinction between an irrigation tank and an enclosed tank. That being so, I prefer to express no opinion till an appeal involving the question of law comes on for argument.

2. Letter No. 605—36, dated 15th August 1893, from the Registrar of the Chief Court, stating with reference to the enquiry made in letter No. 523—J. 38, dated 12th July 1893, that no appeal has been preferred against the order passed by the Amildar Magistrate of Davanhalli in the above case.

REVENUE.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Revenue),—dated 10th September 1893.

READ:—

Correspondence ending with Mysore Deputy Commissioner's letter No. 1127, dated 4th March 1893, reporting the practice prevailing in his District, with his opinion on the Hassan Deputy Commissioner's recommendation for the free grant of grass growing on Channel banks to raiyats instead of the same being sold by public auction as was done by Public Works Department in the case of the Holé-Narsipur Taluk in 1892.

No. 4713-22—R. F. 292-92, DATED, BANGALORE, 10TH SEPTEMBER 1893.

ORDER THEREON.—The Deputy Commissioner of Mysore, in his letter read above, reports after consultation with the Executive Engineers of Mysore and French Rocks Divisions, that the grass growing on Channel banks of the Mysore District is not sold and that it is the opinion of the Executive Engineer of Mysore that as the raiyats themselves attend to the up-keep of the minor branch channels they may be allowed to take grass growing on these banks free of payment, but that in the case of major channels maintained by Government at considerable cost and to which raiyats practically do no work except weed clearing they should not be allowed free use of the long stretch of berm at the rear toe and the fruit trees thereon and on the banks and the slopes.

2. The Deputy Commissioner while disallowing the free use of fruits on trees considers that even as regards the grass, a free permission would result in quarrel between raiyats owning lands immediately near the Channel banks and the owners of remoter fields and recommends the sale by auction of the right to cut and remove grass.

3. The Government consider that the rule which applies to the grass growing on tank bunds should also apply to that growing on Channel banks. They accordingly resolve to modify para 7 Rule X as indicated in the accompanying Notification. Disputes between the raiyats in regard to the use of the grass must be settled by Local Officers. No difficulty has been experienced in regard to the use of grass on Tank bunds, and there is no reason to apprehend that difficulties would arise in regard to the use of grass on Channel bunds.

4. The question of fruit trees has been dealt with in the recent order regarding reserve behind tanks and Channel bunds (*vide* Proceedings No. 21430-39—R. F. 183-92, dated 18th June 1893).

NOTIFICATION.

No. 4723—R. F. 292-92, DATED, 10TH SEPTEMBER 1893.

In para 7 Rule X of Land Revenue Rules published with Notification No. 150, dated 22nd July 1890, as modified by Notification No. (Camp) 240, dated 27th July 1891, for the words "Tanks" in the 3rd sentence, substitute the following words:—

Proceedings of the Government of His Highness the Maharaja of Mysore, (Revenue),—dated 10th September 1893.

READ :—

Letter No. 887, dated 4th March 1893, from the Deputy Commissioner, Hassan District, to the Chief Secretary to the Dewan of Mysore.

Adverting to Land Revenue Rules 26, clause 2, I have the honor to state for the information of Government that on a reference made by the Amildar of Arsikere whether on Darkhasts for Lands which may be received after the expiry of 30th of April and before the commencement of the next official year on 1st July, Saguvali Chits may be issued with effect from 1st May, I have instructed the Amildar that in all cases of Kushki lands Saguvali Chits may be given permitting the Darkhastdar to occupy the land after it is relinquished by the late occupant or from 1st May. The reason is that Mangar rains begin about April and this time is the commencement of the cultivation season. By July it will be too late for the preliminary operations, even though in some instances Dodda Ragi is sown in that month.

2. In cases of wet lands on which there may be no crops, the same course might be adopted, the only exceptional treatment applying to lands with Vaisakhi crops upon them, which cases are governed by clause 15 of the rule quoted above.

The termination of the official year being on the last day of June, a doubt may possibly be entertained whether the 30th of April in the section is not the date on which notice of relinquishment is received unaffecting the right of occupancy till the end of the official year as now ordained. Consulting form No. III of appendix D, there appears to be no room for such a doubt, because the words "I hereby relinquish the occupancy of the said lands" signify absolute relinquishment on, from and after that date.

(2). Letter No. 617, dated 21st January 1893, from the Deputy Commissioner, Tumkur, to the Chief Secretary to the Dewan of Mysore.

With reference to your Docket No. 10163—1320-92 of the 29th ultimo received on the 13th instant, I beg to submit herewith a copy of the circular issued by Mr. Haji Saiyed Nasiruddin Sahib.

2. The question that that Officer refers to in para 2 of his letter No. 340 of the 23rd September 1892 is this—Darkhasts for lands take effect from and inclusive of the year in which they are presented. So a Darkhast presented say in April, May or June 1893 has effect from and inclusive of the year 1892-93. as (owing to the recent extension of the official year from 31st March to 30th June) those months are included in that year. But the applicant cannot at that stage raise any crop on the land in that year (1892-93) and yet he has to pay the Kandayam of that year. So Mr. Haji Saiyed Nasiruddin Sahib enquired if Darkhasts presented at such late stage of a year may be accepted with effect from the following year. If the raiyats are to wait till the year is over, they will have to wait till July and then apply for lands. In that case it will be too late as the time for beginning operation for sowing ragi, &c., is about April. So that Officer probably wanted to suggest that applications for lands presented in any year after the expiry of the cultivation season of that year should be taken as those presented for the next following year.

No. 4724-31—R. F. 290-92, DATED, BANGALORE, 10TH SEPTEMBER 1893.

ORDER THEREON.—The Deputy Commissioner of Hassan in referring to Vaisakhi crops has evidently overlooked the orders contained in Proceedings No. 3211-50—Cir. 36, dated 23rd May 1892, which cancels para 15 of Rule XXVI of the Land Revenue Rules.

2. There is no rule limiting the time for presentation of Darkhasts. When a Darkhast is accepted and permission granted to enter upon occupation, the assessment is payable for the whole year in which the land is granted, *unless otherwise ordered by the Deputy Commissioner*, (para 17 Rule XX) so that if the permission happens to be granted at a part of the Revenue Year, when it is impossible to derive any crop from the land within that year, there is nothing to prevent the Deputy Commissioner ordering that the permission to occupy shall take effect from the ensuing year, *i. e.*, on 1st July following. But if there is a Darkhast for the same land, in which the Darkhastdar agrees to pay the assessment from the year in which Darkhast is accepted notwithstanding the lateness of the season, preference should be given to him over other Darkhastdars who only agree to pay assessment from

the following year. If the Darkhastdar agrees to pay assessment only for the following year, he should only be allowed to occupy the land at the beginning of that year. If he wishes immediate possession, he must pay assessment for the whole year, whether he could cultivate the land in that year or not.

3. In the case of applications for lands relinquished by raiyats, the applicant cannot enter upon the land until the relinquishment takes effect which will be on the 1st July of the year following that on which the relinquishment notice has been given (*Vide* Rule XXVI). Form "D" is only a Notice of relinquishment (see para 2 Rule XXVI) and the omission in it of the date from which the relinquishment is to take effect is of no consequence, since para 1 of Rule XXVI is clear on the subject.

The following letter No. 1153, dated 26th May 1893, from the Deputy Commissioner of the Hassan District, to the Chief Secretary to the Dewan of Mysore :—

I have the honor to submit herewith a statement in the prescribed form, showing the particulars of an application made by one Basavegouda of Balla, for Gomal land, in the village of Banavasi, Belagodu Hobli of the Manjarabad Taluk.

2. The applicant applied for and obtained in 1888, 12 acres and 23 guntas out of Survey Gomal No. 83 which measured 73 acres, 25 guntas, and he has now again applied for another piece of 20 acres of the same number. The villagers objected to the grant, on the ground that they would be put to much inconvenience and trouble, inasmuch as the existing Gomal is insufficient for their cattle and they would be deprived of the means of getting fuel, thorns, &c., and requested that in case the land being granted to the applicant, the unoccupied assessed lands, seven in number, might be allowed for the village Gomal, the present Gomal being 61 acres and 2 guntas and the number of cattle 316.

3. The Amildar who inspected the spot selected two groups of lands to be allowed in place of the 20 acres now applied for, *viz.*, (1) group consisting of Survey numbers 80, 81 and 82, measuring 20 acres and 10 guntas in the aggregate (excluding Kharab) assessed at Rs. 13—4—0, and (2) group comprising Survey Nos. 82 and 85 measuring in the aggregate. 25 acres assessed at Rs. 12—12—0 and offered either of them to the villagers, but they did not agree to the arrangement and he was therefore of opinion that it would be a great advantage to Government to grant the 20 acres to the applicant for coffee cultivation and to reserve for cultivation, the seven numbers of assessed unoccupied lands, for which Darkhasts had since been received.

4. I decided thereupon that if the dry portion of Survey No. 80 and the whole of Survey No. 85 were allowed as Gomal, it would be equivalent to the extent of land which existed formerly and which is now to be taken up out of Survey No. 83 Gomal and that the villagers could not have any cause for complaint and accordingly issued orders that they should be converted into Gomal, that the wet portion of Survey No. 80 together with Survey Nos. 78, 81, 82, 88 and 89, should be granted for cultivation to the several applicants and that a report submitted with the Akarbund for necessary alterations being made, after the Phod work and the sales were duly conducted.

5. The piece of land under reference was duly phoded to the extent of 20 acres and 7 guntas. It was duly advertized for and sold by the Amildar and the applicant Basavegauda himself purchased the same at Rs. 90 per acre and paid the whole amount of purchase money namely Rs. 1,815—12—0 and the said amount is now held in deposit.

6. Under these circumstances, I beg to recommend that sanction may be accorded to the grant of the land applied for by Basavegauda and to write off the assessment of the assessed waste lands alluded to, for conversion into Gomal as per accompanying alienation statement.

7. The Vernacular papers ending with Manjarabad Taluk Amildar's report No. 1059—1055, dated 14th instant, are also submitted for further reference and obliging return.

No. 4732-3—R. F.—202-92, DATED, BANGALORE, 10TH SEPTEMBER 1893.

ORDER THEREON.—The Deputy Commissioner acted *ultra vires* in converting assessed land into free Gomal, and in granting Gomal land for cultivation. The previous sanction of Government should have been obtained. As the land however was granted for cultivation so long ago as October 1891, the Government do not wish to disturb the settlement effected by the Deputy Commissioner which is therefore sanctioned.

Chief Secretary.

No. 4810-17—R. F. 52-92, DATED, BANGALORE, 13TH SEPTEMBER 1893.

ORDER THEREON.—*Statement No. I.*—A comparison of the figures, shown in the accompanying statement prepared in this Office, of the quantity and value of Iron produced in the several Districts as given in the Returns received from 1889 to 1892, shows that the value has not been accurately given by any of the Deputy Commissioners and that the figures given are based more on surmises than on real statistics obtained on the spot.

2. In the statements furnished for the year 1892, the value per ton of Iron ore varies as shown below :—

Tumkur	...	...	9 Rupees
Mysore	...	...	20 Rupees
Shimoga	...	...	16 Rupees

and Rs. 49 (including the Rs. 4,000 shown against the Shimoga Taluk),

Chitaldroog	...	...	25 Rupees

3. The Deputy Commissioners concerned are requested to report how these figures have been arrived at.

4. The Deputy Commissioner of Kolar is requested to explain why the quantity and value of iron produced in the several Taluks of his District were not given for the year under review, and to furnish such particulars in future.

5. *Statement No. II.*—The Deputy Commissioners of Kolar and Hassan have not given the values of the Minerals entered in their statements. This information should have been furnished.

6. The Deputy Commissioners of Mysore and Kadur have omitted to include Corundum stone in their returns. The omission should now be supplied and its recurrence carefully avoided in the future. Where any item of information for which a printed column is provided cannot be furnished, the reason should invariably be explained.

The following letter No. 115, dated 8th September 1893, from Mr. R. Vijayindra Rao on special duty

"I have the honor to state that the form of statement of Irrigation works constructed or restored since the Rendition was revised and the blank statements together with sample forms were forwarded to the Deputy Commissioners of Districts with this Office Circular letter No. 1, dated 13th August 1892. The few statements that were received from the Deputy Commissioner, Shimoga District, were inaccurate and incomplete and they were consequently returned for correction in the month of March last and they have not been received back as yet. The returns of the Bagepalli, Tarikere and Chikmagalur Taluks recently received from the respective Deputy Commissioners have also been returned for revision. No other Deputy Commissioners have sent in their returns up to date in spite of reminders sent from this office. I would therefore suggest that an order may be issued from the Government calling upon the Deputy Commissioners to submit the returns in question as expeditiously as possible.

No. 5240-48—R. 549, DATED, BANGALORE, 19TH SEPTEMBER 1893.

ORDER THEREON.—Communicated to Deputy Commissioners of Districts for attention and prompt report of the cause of delay in answering Mr. R. Vijayindra Rao's requisition.

T. ANANDA ROW,
Chief Secretary.

To—The Deputy Commissioners of Districts.
Mr. R. Vijayindra Rao on special duty with a request that he will submit a copy of the circular and statements referred to in his letter above read.

4. As the deposits are large and heavy, the Deputy Commissioners concerned should pay personal unremitting attention to their early adjustment. The longer an item is in Revenue Deposit, the greater is the discredit to the Revenue Administration of the Taluk to which that Deposit belongs.

T. ANANDA ROW,

To—The Comptroller to the Government of Mysore.
The Deputy Commissioners of Districts.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Revenue),—dated 19th September 1893.

READ:—

Draft Preliminary Budget of Receipts and Disbursements for 1893-94 with notes comparing the Revised Estimate for 1892-93 with the Estimates for 1893-94 received from the Comptroller.

No. 5001—R. 517, DATED, BANGALORE, 19TH SEPTEMBER 1893.

ORDER THEREON.—In the papers read above, the Comptroller takes for 1893-94 the Receipts at Rs. 1,60,34,000, and Disbursements at Rs. 1,52,22,000, leaving a surplus of Rs. 8,12,000.

2. The Estimates have been carefully prepared but the Government consider it necessary to revise them in the manner and for the reasons explained below:—

Receipts.

3. Under Land Revenue the Comptroller has taken Rs. 86,14,000 as the Estimate for 1893-94, but gives good reasons for raising the Estimate to Rs. 86,82,362. Considering the figures for past years, 87 lakhs may be safely put down as the Estimate for 1893-94 which is the same as the revised Estimate for 1892-93, excluding from the latter the sum of Rs. 7,81,000 being the arrears of previous years collected in 1892-93. This will raise the Comptroller's figures by Rs. 86,000.

4. The Receipts from "Mining Leases" are estimated at Rs. 4,00,000, but taking into consideration the actuals for 1892-93 and other circumstances, the Estimate may safely be raised to Rs. 5,00,000 showing an increase of one lakh.

5. Under "Excise," the Estimate is Rs. 29,04,000 as against Rs. 30,00,000, the revised Estimate for 1892-93. This decrease is the net result of an increase of Rs. 1,02,604* on "Toddy and Ganja" and a decrease of Rs. 1,98,604† on "Arrack, Opium and Miscellaneous." There are no good grounds to apprehend any decrease under the heads "Opium" and "Miscellaneous" and with a better season there is no reason to expect less consumption of Arrack. The Estimate will accordingly stand at Rs. 30,00,000 as in last year.

		Rs.
*Toddy	...	95,476
Ganja	...	7,128
		1,02,604
†Arrack	...	1,74,388
Opium	...	7,395
Miscellaneous	...	16,821
		1,98,604

6. Under "Mohatarfa" (assessed taxes), the Comptroller takes Rs. 3,09,900, but, judging from the actuals of past years, the Estimate may be raised to Rs. 3,40,000.

7. The estimate under "Sayer" is Rs. 4,16,000 or Rs. 16,000 more than the revised Estimate for 1892-93; but as from the latest reports "Kole Roga" appears to have made its appearance in the Malnad, it would be safer to adopt the lower figure of 4 lakhs.

8. As to "Salt," the Comptroller's Estimate of Rs. 18,000 is 4,000 Rupees less than the revised Estimate for 1892-93 and 4,500 Rupees less than the actuals of 1890-91. The Estimate will therefore be raised to Rs. 22,000.

9. Under "Law and Justice," the Estimate may be slightly raised from Rs. 69,000 to Rs. 70,000.

10. Under "Scientific and Minor Departments" which include Amrut Mahal, the receipts are estimated at Rs. 42,000 which is much less than the actuals for a series of years past. The Estimate will therefore be kept up at Rs. 44,000 as in 1892-93.

11. The net result of the foregoing variations is an increase of Rs. 3,04,000 over the Comptroller's Estimate of Receipts which will therefore be raised from Rs. 1,60,34,000 to Rs. 1,63,38,000.

Expenditure.

12. As regards the expenditure, the provision of Rs. 5,52,000 made under the head "Forests" is excessive. The Inspector General of Forests will be informed that for 1893-94 the original Estimate for 1892-93 should be adhered to and that with a grant of Rs. 4,55,000, he should recast his detailed Estimates and submit them to Government for orders. Increased provision under "Conservancy and working" is against the desire of Government to restrict outlay on fresh Plantations during the next few years, and more money cannot be required for Kheddas, the initial outlay on which has by this time been fully incurred.

13. The extra provision made under "Stamps" for expected alterations and repairs to stamp die is for the present disallowed. This will reduce the Comptroller's Estimate from Rs. 25,000 to Rs. 22,500.

14. Under "Stationery and Printing," the provision made by the Comptroller will be raised from Rs. 96,622 to Rs. 1,06,622 on account of the purchase of Machinery, &c., required for the Government Press (*vide* order contained in Proceedings No. 771-5—G. 254, dated 16th July 1893).

15. As it is not likely that the new Mysore Gazetteer will be completed and printed in 1893-94, the provision made therefor will be reduced by Rs. 9,300.

16. Under "Allowances and Assignments" an additional provision of Rs. 19,000 will be made owing to the increase of Pensions to Pallegars.

17. The grant for the Public Works Department will be raised from Rs. 24,00,000 to Rs. 26,00,000 on account of the provision required for Sanitary Works and the Mysore City water-supply project.

18. The amount added to obtain even thousands has to be modified as follows:—

Stamps	...	117 instead of 617.
Scientific and Minor Departments	...	840 instead of 540.

Correspondence ending with letter No. 1152, dated 26th May 1893, from the Deputy Commissioner, Hassan District, regarding two plots of land assigned for garden cultivation out of Gomal survey No. 52 in Doddagatta, Arsikere Taluk, under the sanction conveyed in Proceedings No. 8707-8—249, dated 11th November 1891.

No. 5354-62—R. F. 38-92, DATED, BANGALORE, 20TH SEPTEMBER 1893.

ORDER THEREON.—The plots referred to were assigned for cultivation upon Darkhasts presented by two individuals named Nanja and Basava. The extent of the plots as pointed out by them was, on measurement by the Shekdar, found to be 2 acres, 8 guntas and 7 acres, 5 guntas respectively, and this extent was entered in the statement submitted by the Deputy Commissioner, and the order of Government passed thereon. The Measurer of the Survey Department who was subsequently deputed to phod the plots reported that there were 2 acres, 18 guntas and 15 acres respectively, in extent, and, in bringing this to notice, the Survey Superintendent requests instructions whether the excess found may stand good and what course should be adopted in regard to similar discrepancies in future.

2. It is explained by the Shekdar that the Measurer included additional lands not originally applied for, and the Measurer states that he measured out the extent pointed out by the parties and had not the Shekdar's Tippani to guide him. The lands however have not yet been disposed of.

3. If the Measurer had obtained the Katcha Phod papers of the Shekdar and made the sub-division with reference to them, there would have been no occasion for all this correspondence. It is not clear why he failed to do so and acted on the bare statement of interested parties.

4. Measurers directed to do Phod or resurvey work should provide themselves with the Katcha Phod papers and other references. When the percentage of difference between the Katcha Phod and the Pakka Phod is small, the Pakka Phod may stand good and the accounts corrected in accordance therewith; but when the percentage of difference is large, the matter must form the subject of an enquiry.

5. In the present case, the extent originally applied for and sanctioned by Government, may be demarcated and disposed of under the Rules in force.

The following letter from the Deputy Commissioner, Kadur District, No. 184, dated 9th July 1891 :—

I have the honor to submit the following report regarding a claim for a refund of Coffee assessment put forward by Mr. Bonner of the Samse Estate.

2. The History of the case is as follows :—

At the Settlement of 1881 the Samse Estate comprised Survey No. 217, Extent acres 341, guntas 21.

It was described as a 1st Class Estate, and the Settlement Officer Mr. Meiklejohn, in the absence of the owner Mr. McMaster who was sick, assessed the whole at Rs. 1—8—0 per acre.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Revenue),—dated 21st September 1893.

On the representation of Messrs. Binny and Co., the concession for a term of 5 years at ½ rates on land not planted up, was allowed, *viz.* :—

220 acres planted at Rs. 1—8—0.
121-21 acres plantable at 12 annas.

This concession was granted not on the score of 121-21 acres being grass land, but with the object of giving the owner time to bring into cultivation what was taken to be good land.

There is nothing on record to show that at that time or since any complaint was made that the land was not fit for Coffee cultivation.

Accordingly after the expiration of 5 years, *viz.*, in 1882, the full rate of Rs. 1—8—0 per acre was imposed and it was duly paid without remonstrance till Mr. Bonner in his letter, dated 3rd August 1890, represented that the Estate was paying at the rate of Rs. 1—8—0 per acre on acres 121, guntas 21 of grass land, and requested that the assessment might be reduced to 4 annas per acre, if allowable.

During the course of enquiry into the case, Mr. Bonner claimed a refund of the excess tax which the Estate had been paying for grass land.

To this Mr. Sparkes, who was in charge of the District, replied that as the proprietors of the Estate and their agents have since the Settlement been paying the full rate without asking for a resurvey, his claim could not be admitted on the ground that the land was unfit for Coffee. A resurvey was, however, ordered for the purpose of arranging a settlement for the future.

The result of the resurvey is as per margin.

No.		Acres.	
217	...	236-37	Coffee Retained.
237	...	10-16	Grass Retained.
239	...	6-13	Do Retained.
238	...	87-35	Do Resigned.
		341-21	

There is thus found to be—

				Acres.
Total grass	...	...	...	104—24
Retained	...	...	...	16—29
Resigned	...	...	...	87—35
				104—24

Also that instead of 220 acres of Coffee land there is an area of 236-37 acres, the difference being 16-37 acres, for which of course there cannot under any circumstances be a just claim for refund.

3. As regards the application for a refund on 104-24 acres of grass land, which would be the difference between Rs. 1—8—0 and 4 annas per acre from the year 1882, I do not think that any claim can of right be maintained. The parties interested have preserved an unbroken silence, and unless such parties make themselves acquainted with the Regulations of Government passed for their benefit and ask to have them applied for their relief at the proper time, the Revenue authorities must remain without the information which owners and managers of Estates alone can supply.

4. Nevertheless Government has always exhibited so liberal a spirit in dealing with the interests of all land-holders, Coffee Planters included, that I am unwilling to refuse to place the matter before Government so that the circumstances of the case may receive every consideration

---

No. 5288—R. 559, DATED, BANGALORE, 21ST SEPTEMBER 1893.

ORDER THEREON.—The Deputy Commissioner was not justified in re-opening the Settlement effected by Mr. Meiklejohn and ordering a resurvey. The resurvey therefore can only be regarded as a measure adopted to enable Mr. Bonner to resign such part of his holding as he may wish to resign. In this view no refund of assessment due for period anterior to resignation can be sanctioned. Resignation of Survey No. 238 (measuring 87 acres and 35 guntas) may be accepted with effect from the date of such resignation, but the whole remainder, *i. e.*, 253-26 should be treated as Coffee lands. No portion of it can be treated as grass land.

Letter No. 803, dated 7th February 1893, from the Deputy Commissioner, Hassan District, soliciting sanction to the grant without auction, of a portion of gomal survey No. 3 in the Huliyur Village, Manjarabad Taluk, to one Mallegauda of Dotur and another Chikka Mallegauda for the purpose of constructing cooly lines and for drying grounds, and submitting a statement showing particulars of the land applied for.

No. 5535-6—R. F. 5-93, DATED, BANGALORE, 21ST SEPTEMBER 1893.

ORDER THEREON.—Para 13 of the Rules in Appendix E, Land Revenue Rules, lays down that any moderate extent of Kharab land which may be unfit for coffee cultivation may be granted without auction on a fair valuation. But it is observed from the Manjarabad Amildar's report No. 1323, dated 10th February 1890, that the land in question is fit for coffee cultivation. The Deputy Commissioner has therefore erred in having given away the land without auction. Government will, however, not disturb the Deputy Commissioner's order in this individual case. In future, errors of this kind should be carefully avoided.

2. The recommendation of the Deputy Commissioner in this case is sanctioned.

Correspondence ending with letter No. 827—104, dated 1st September 1893, from the Excise Commissioner, submitting copies of the Comptroller's Memo regarding the difference in credits of Abkari Revenue for the months of April, May and June 1893.

No. 5584-5—R. F. 78-93, DATED, BANGALORE, 23RD SEPTEMBER 1893.

ORDER THEREON.—The Government regret to have to observe that notwithstanding the clear instructions embodied in the Rules and the Forms issued with Government Notification No. 495, dated 30th March 1892, and Proceedings No. 4592-601—Cir. 75, dated 4th June 1892, the Treasury accounts and the Excise Commissioner's Demand, Collection and Balance accounts do not agree, differences in credits are noticed and the Comptroller is not placed in a position readily to certify to the credits as required by the Rules prescribed. The Comptroller points out to the Excise Commissioner differences of credits, the Excise Commissioner calls upon the Deputy Commissioner to submit explanation, which when received are submitted to Government. Such explanations have been received only as regards the differences pointed out in the credits of April, May and June 1892. The differences in the credits during the 12 months of the year 1892-93 remain yet to be explained. This state of things is unsatisfactory and materially retarts the compilation of accounts for the whole Province in the Dewan's Office.

2. Looking at some of the Comptroller's Memos, the differences pointed out in many cases appear to be on account of the Excise Commissioner showing in his accounts the sale proceeds of Malwa opium and the Treasury Department crediting the amount under "Public Debt" subject to annual adjustment at the Huzur Treasury. The Demand, Collection and Balance form 6 prescribed in Government Proceedings No. 4592-601—Cir. 75, dated 4th June 1892, does not require the sale proceeds of opium to be included therein, the Demand, Collec-

tion and Balance under the head opium being in relation to "Opium License fees." The Excise Department will therefore, from the beginning of the current revenue year, omit to show in their monthly Demand, Collection and Balance accounts the sale proceeds of Malwa opium and follow the heading prescribed.

3. At present the credits are to be certified to by the Comptroller. This entails delay in reconciling differences, and after all, the Comptroller's figures are only derived from returns of District Treasury Officers. The better course would be for the Excise Assistant Commissioner in each District to prepare his monthly Demand, Collection and Balance accounts in duplicate and send them to the District Treasury Officer for certificate. Points of difference, if any, should be noticed and reconciled or explained by communications between them. When the accounts are thus tallied one copy should be sent to the Excise Commissioner through the Deputy Commissioner and another to the Comptroller direct, who will thus be enabled to certify to the credits, straight off when the Excise Commissioner's Demand, Collection and Balance statements are sent to him. The Government direct that this arrangement be adopted.

Correspondence ending with Excise Commissioner's letter No. 5725—363, dated 29th April 1893, submitting the information in regard to the default made by Toddy Vend Farmer Appavu Pille and sureties called for in Chief Secretary's docket No. 13538—207-92, dated 2nd February 1893, and requesting that sanction may be accorded to issue warrants for their arrest.

No. 5586-94—R. F. 62-92, DATED, BANGALORE, 23RD SEPTEMBER 1893.

ORDER THEREON.—In this case no facts have been elicited to prove fraud or wilful intention to evade payment of the Government dues. In the absence of proof of fraud, it must be presumed that this is a simple case of failure and that no intention of cheating Government is brought home to the defaulter. The arrear will, under the circumstances, simply be allowed to stand in the accounts for some time more, and a further report made by the Deputy Commissioner if it cannot be recovered by sale of any property that may be forthcoming.

2. From the Deputy Commissioner's letter it appears that the defaulter was in arrear for about five months. This was *prima facie* evidence of negligence and the Deputy Commissioner is requested to explain who is responsible for it.

3. The Government presume that an enquiry into the adequacy of the security and the solvency of sureties was made, prior to their acceptance. If so, how were two men accepted as sureties who had no property either in the Province or elsewhere? Upon this fact also full explanation should be submitted at an early date.

Letter No. 3098—323-93. dated the 11th September 1893. from the First Assistant to the Resident in Mysore.

With reference to the Resolution of the Government of India, Finance and Commerce Department, No. 2792 Ex., dated 3rd July 1893, published at pages 382—385 of the Gazette of India, of the 8th July 1893 appointing the Indian Hemp Drugs Commission, I am directed to invite your attention to the instructions conveyed to the Commission in paragraph 4 of the Resolution, and to ask for the assistance of the Darbar in obtaining information regarding the cultivation of the hemp plant and the preparation of, and trade in, hemp drugs in Mysore, similar to that required regarding British India.

2. The Commission solicit the Resident's co-operation in securing such information as is available regarding the excise arrangements in respect to hemp drugs in Mysore, and I am to request that, if the Darbar see no objection to doing so, this Office may be furnished with a list of such printed reports and other publications as deal with the cultivation, manufacture, import sale, and taxation of hemp drugs in Mysore, and that copies * of such of those reports or publications as contain information of any importance may be supplied for the use of the Commission.

* Eight copies of each if available.

3. Colonel Henderson would be greatly obliged if the Darbar could furnish him with a Memorandum prepared by some experienced officer of the State setting forth clearly and fully the system of administration at present in force in respect to these drugs. In enumerating in the *annexed note* certain points in regard to which the Commission specially desire information, I am to say that this enumeration is not intended to be regarded as exhaustive. The Commission would be glad to be favored with the fullest information.

4. I am also to request that statistics, so far as available, may be furnished for the last twenty years in the form appended to that note.

5. The Commission have framed a series of questions with the object of eliciting information regarding the matters dealt with in the Resolution of the Government of India. In forwarding 45 copies of these questions, I am to say that the Resident would be glad to receive (Mutatis Mutandis) written answers to the questions from British Officers or State Officials, or any other well informed persons from whom the Darbar think it desirable to obtain them in regard to Mysore. The Commission would be greatly obliged by arrangements being made for the distribution of the questions under suitable directions to such persons, and by their being requested to send in their answers by the 15th November 1893 as these have to be forwarded to the Commission not later than the 1st December 1893.

6. The information asked for in the preceding paragraph is the same as that sought from British districts. The Resident is not aware how much of this information, the Mysore Government will be able to furnish, but he will be glad to receive, for the information of the Commission, as much as can be elicited by such measures as the Darbar may think suitable.

No. 5712-4—R. 615, DATED, BANGALORE, 23RD SEPTEMBER 1893.

ORDER THEREON.—Communicated together with copies of the Question Paper referred to in para 5 of the First Assistant Resident's letter to the Officers named in the margin and the Deputy Commissioners of Districts with a request that they will be good enough to furnish the information called for at a very early date. The reports may be sent to the Dewan's Office for transmission to the Commissioners.

Letter No. 3315—803, dated 30th April 1893, from the Deputy Commissioner, Kolar District, *in re* "Lohar" Service Inam lands in the Paravanahalli village, Bowringpet Taluk.

No. 5715-17—R. F. 216-92, DATED, BANGALORE, 23RD SEPTEMBER 1893.

ORDER THEREON.—One Venkatamma was the holder of the "Lohar" Service Inam lands described in the margin. She died leaving Munisami, her grandson. When he was asked to pay up the arrears of Jodi due to Government from the year 1880-81 to 1890-91 and amounting to Rs. 49—2—0, he stated that the lands might be proceeded against. The villagers also declined to pay up the arrears and to appoint a village blacksmith. The lands were accordingly put up for sale, when Magondi Nanjundappa purchased them for his brother Rudrappa for Rs. 49—2—0. Nanjundappa was subsequently found to have been enjoying the lands for 15 or 20 years as mortgagee. The Inam stands confirmed on the condition of rendering the blacksmith's Service. The Deputy Commissioner recommends that under Rule XXXVI of the Land Revenue Rules, the Inam lands be resumed to Government and granted to Magondi Nanjundappa on Kandayam as agreed to by him, the sale proceeds being credited towards the arrears.

2 acres and 70 cents of dry land and 20 cents of wet land, bearing an assessment of Rs. 11—15—6 and charged with a Jodi of Rs. 4—15—0 in the Paravanahalli village.

2. Under the foregoing circumstances, the Government direct that the Inam tenure be cancelled and the lands fully assessed and treated as ordinary Kandayam lands.

3. The fact that none of the Jamabandi Officers noticed the nonfulfilment of the conditions of the grant of the Inam lands in question for so many years is not creditable to the administration of the District.

5. In preparing the statements of Judicial Deposits, Treasury Officers of Districts excepting Bangalore and Hassan will be requested to mention the names of the Courts for which the deposits are held instead of the names of the District or Taluk Treasury in which moneys are deposited.

(1) Correspondence ending with letter No. 106, dated 31st May 1892, from the Deputy Commissioner, Kadur District, regarding the supply of dâk bullocks to travellers in the Malnad.

(2) Letter No. 873, dated 22nd April 1893, from the Deputy Commissioner, Tumkur District, reporting instances of advances made in that District for the purchase of dâk bullocks.

(3) Letter No. 1312, dated 27th April 1893, from the Deputy Commissioner, Mysore District, requesting permission to make an advance of Rs. 150 to certain Patels of the Hunsur Taluk for keeping 2 pairs of bullocks for dâk purposes.

No 6073-5—R. F. 198-92, DATED, BANGALORE, 27TH SEPTEMBER 1893.

ORDER THEREON.—To provide for the due supply of dâk bullocks, the Deputy Commissioner of Kadur suggests—

(1) that it be declared in the Sanuads granted to Patels that it is a part of their duty to supply dâk bullocks ;

(2) that an extra allowance of Rs. 20 be added to the Potgi of Patels on certain roads chiefly used by the travelling public ;

(3) that advances from Rs. 100 to Rs. 150 be made on proper security to such Patels as may require to buy dâk bullocks, on condition that the amount advanced be repaid within a year and that, in default, it be recovered as a revenue demand ;

(4) that the dâk bullocks be open to inspection by Revenue Officers;

and (5) that the dâk rates be slightly raised.

2. The Deputy Commissioner's suggestion to embody in the Sanuads granted to Patels a stipulation for the supply of dâk bullocks, does not commend itself to Government.

3. With regard to the increase of Potgi recommended by the Deputy Commissioner, it is observed that Rule XII of the revised Rules of 27th October 1874, for the remuneration of Patels and Shanbhogs, already provides for extra allowances not exceeding Rs. 15 in each case, in the case of towns, large villages, &c., the Patels of which are called upon to perform heavy miscellaneous duties, and the Superintendent of the Revenue Survey, who was requested to submit a list of Villages in the Kadur District to which the extra allow-

ance under the said Rule has been fixed, reports that, in accordance with the suggestions made by the then Deputy Commissioner, the Patels of the marginally noted Villages have been given the extra allowance above referred to; but, in the statement received from the Deputy Commissioner, the names of only two Patels are shown as being the recipients of the allowance, one at Rs. 10 and the other at Rs. 15. It is therefore not clear why the allowance has been discontinued in the case of other Patels. A further report on this point should be submitted by the Deputy Commissioner.

3. Lakkavalli ... }

& 6. Sakrepatna.. Kadur Taluk.

4. In the Tumkur District advances were given under the orders of the late Chief Commissioner in 1878 and 1879, for the purchase of dâk bullocks to be kept at certain stations, repayable, in two instances within 12 months with interest at 6¼ per cent per annum, and in one instance within 4 months without any stipulation to pay interest. In that District no difficulty is experienced in regard to the supply of dâk bullocks, and the Government are of opinion that in the Malnad parts of the Province, a system of limited advances on adequate security may with advantage be adopted, the advances being given to the Patel or one or two principal Raiyats, where absolutely necessary (as in Villages on important high roads) to enable them to purchase and keep dâk bullocks.

5. As proposed by the Deputy Commissioner, the advances may be limited to sums not exceeding Rs. 150 in each case and made on proper security, returnable within a year. The dâk bullocks must be frequently inspected by Revenue Officers.

6. No revision of the existing dâk rates seems called for. Individual cases of complaints by raiyats of non-payment of the dâk charges should be carefully investigated by the Amildars and reported to Deputy Commissioners for orders.

7. The Deputy Commissioner of Mysore is authorized to make an advance of Rs. 150 to each of the Patels of Hunsur, Bannekuppe and Belikere subject to the terms aforesaid. The Comptroller is requested to keep a separate account of such advances and report annually the adjustments made, the requisite details being furnished separately for each District.

READ:—

The following letter No. 936, dated 29th March 1893, from the Deputy Commissioner, Hassan District.

1 have the honor to submit herewith for orders of Government, a file of Vernacular correspondence ending with Arsikere Taluk Amildar's report No. 970 of the 24th December 1892, relating to a Darkhast for Survey No. 175 in the village of Kellengere of the said Taluk for cocoanut garden cultivation on shraya tenure.

2. On the receipt of the application, the Amildar made necessary enquiries, and he found the land to be a "bagayat" one, assessed at garden rates and for which a resignation was received in the year Parthiva 1865-86.

3. As the land had not remained unoccupied for more than 3 years preceding the date of Government Notification No. 121 of the 17th September 1887, the Amildar could not, under Rule 7 published under the said Notification, comply with the wishes of the applicant, and consequently he made enquiries whether there were any one who could take up the land on payment of full assessment. The applicant himself agreed to take it up on full assessment, provided that the land was given to him without "malki." No one has taken up the land on the usual terms without any special concessions.

4. The object of my making this reference to Government is to solicit instructions about the disposal of the application in question and to represent that though the land was not unoccupied for three years before the year and date fixed, namely 17th September 1887, the date of the Government order on the subject—it has now been unoccupied and has yielded no Revenue for 7 years past. The inconvenience is felt by people to take up such garden lands and there is also loss to Government by keeping such lands for years together unoccupied on account of the restriction laid down in para 7 of the said Kool Rules.

5. In order to avoid such inconveniences and losses I would take the liberty of suggesting the Government to alter the words in para 7 "remained unoccupied for more than three "years preceding this date" into "remained unoccupied up to date of the Notification aforesaid."

In the particular instance, the applicant has consented to take up the land on full assessment but pleads inability to pay the malki. I recommend that the land may be given without collecting the values of the trees which is estimated at Rs 28.

No. 6355-62—R. F. 182-92, DATED, BANGALORE, 27TH SEPTEMBER 1893.

ORDER THEREON.—Rule XX of the Land Revenue Rules is enough to authorize the Deputy Commissioner to give the land without sale provided there are no trees on the land.

2. But in the present case, though there are trees on the land, the Deputy Commissioner may for reasons stated, forego, as a special case, the value of the trees which is estimated at Rs. 28.

3. The words "preceding 17th September 1887" occurring in para 7 of the Rules issued as Appendix I to the Rules under the Mysore Land Revenue Code, will, as suggested by the Deputy Commissioner, be altered into "preceding the date of application for the land." The following Notification will accordingly be published in the Mysore Gazette :—

NOTIFICATION.

No. 6363—R. F. 182, DATED, 27TH SEPTEMBER 1893.

The Government of His Highness the Maharaja direct that for the words and figures "preceding 17th September 1887" occurring in line 3, para 7 of the Rules issued as Appendix I to the Rules under the Mysore Land Revenue Code, the words "preceding the date of application for the land" shall be substituted.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Revenue),—dated 28th September 1893.

READ THE FOLLOWING LETTERS:—

1. No. 690—95, dated 22nd August 1893, from the Excise Commissioner in Mysore.
2. Demi-Official, dated 1st September 1893, from the Survey Superintendent in Mysore.

No. 5992-1—R. 657, DATED, BANGALORE, 28TH SEPTEMBER 1893.

ORDER THEREON.—Under the orders issued in 1870 and 1873 noted in the margin, the Government have the right to all date trees on occupied Kandayam lands in unsettled Taluks; and, in Proceedings No. 14030-39—Cir. 298, dated 13th March 1891, it was stated that such trees should be regarded as the property of Government till they were made over to the occupant of the land by the Survey Department under the provisions of Section 41 (1) of the Mysore Land Revenue Code, 1888. The question now submitted for consideration is, whether, in the Taluks of Channapatna and Kankankalli which are about to be settled, the right of Government over such trees may be made over to occupants of the lands at a valuation at the time of the settlement as has been done in the Taluks already settled, or whether the trees should be specially reserved for Government.

1. Letter No. 5290—807, dated 27th January 1870, from the Secretary to the Chief Commissioner to the Superintendent, Nundydroog Division.

2. No. 3857—52, dated 25th October 1870, from the Secretary to the Chief Commissioner to the Superintendent, Ashtagram Division.

3. Proceedings No. 4108—Rev. 34, dated 24th October 1873.

2. Government agree with the view taken by the Survey Superintendent and consider that it is not desirable to reserve the date trees standing on Patta lands in the Taluks of Channapatna and Kankanhalli, while similar trees in all other settled Taluks of the Province have been made over to the occupants.

3. It may, however, be observed that even after the rights of Government over such trees are transferred to the occupants, the latter cannot draw toddy from them, but have to arrange with the Government contractors for the drawing of the same. The Superintendent of Survey may therefore dispose of the rights of Government over the date trees in occupied lands in these two Taluks as has been done in similar cases in the other Taluks already settled. But in the case of those date trees standing on any occupied lands which have been included in any of the Vanams already farmed out, the occupants should be expressly informed that the transfer of the right of Government to them will take effect only on the expiration of the term of the existing contracts, a list of such trees with the survey numbers of the lands on which they stand being furnished to the Excise Commissioner.

4. Government lands which contain valuable date trees and which are now unoccupied should, in consultation with the Excise Commissioner, be reserved and marked off as not being available for cultivation without the special sanction of Government. Similar land now in occupation may also be marked off for the purpose of being hereafter reserved, should the occupancy right be relinquished absolutely. Detailed lists of lands so reserved should be maintained in the Deputy Commissioner's Office and an abstract thereof submitted for the information of Government.

5. The Excise Commissioner refers to an instance in which a raiyat of Kallur in the Mudigere Hobli of the Channapatna Taluk was granted a large tract of land containing numerous date trees on the express condition that he shall have no right to them. In such cases as well as in those cases in which lands are granted at Halgaval rates, a special report may be submitted to Government for orders, if it is deemed expedient in the interests of toddy revenue to reserve the date trees.

No. 6346-54—R. F. 318-92, DATED, BANGALORE, 29TH SEPTEMBER 1893.

ORDER.—It has been brought to the notice of Government that when sub-divisions of survey numbers are effected under Rule XXVII of the Revenue Rules, Deputy Commissioners insist upon the sub-numbers being demarcated in the manner prescribed by Rule 30 for whole survey numbers.

2. This is not only unnecessary, but Government are also of opinion that the boundary marks of sub-numbers should have a distinct character so that sub-numbers may be easily distinguished from the original survey numbes

3. In Madras the prescription of the size and nature of such minor boundary marks is left to the discretion of village officers, but as Government consider it essential to secure uniformity of practice in the matter of sub-numbers as well, the Survey Superintendent is requested to report what kind of marks he would prescribe so as to ensure greater cheapness, a fair degree of permanency and the clear recognition of their boundaries.

4. The provisions of the Revenue Code and Rules in regard to the repair and maintenance of boundary marks apply to the boundary marks of sub-numbers, and Deputy Commissioners on whom the responsibility for the preservation of the marks devolves, should exercise a strict supervision over boundary marks of all descriptions.

LOCAL BOARDS BRANCH—MUNICIPAL.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Local Boards Branch—Municipal),—dated 2nd September 1893.

READ :—

Letters dated 7th September 1888 and 4th March 1890, Nos. 382 and 839, respectively, from the Deputy Commissioner of the Bangalore District, stating that the imposition of trade tax on bangle sellers is not in conformity with principles which may be evolved out of the present unsatisfactory Mohaturfa and proposing to charge such men with higher rate of house tax instead of trade tax.

READ :—

Docket dated 19th July 1893, No. 69 from the same Officer, requesting early orders on his previous letters in view to the settlement of the arrears due by the bangle traders in the Anekal Taluk, the recovery of which has been held in abeyance.

No. 4114-21—L. F. 130-92, DATED, BANGALORE, 2ND SEPTEMBER 1893.

ORDER THEREON.—Before passing final orders on the above reference the Deputy Commissioners of Districts except Bangalore are requested to state at their earliest convenience whether tax on bangle sellers is levied in their Districts, whether they sell in their shops or by hawking and if so, to submit a statement showing the rates of duty levied and the amount of duty collected in each District.

2. The Deputy Commissioner of the Bangalore District is also requested to state the amount of revenue annually collected from bangle sellers in the various Taluks of the District and explain the principal upon which the charge is made.

READ :—

Letter from the Senior Surgeon dated 18th April 1893, No. 4588.

No. 4629-40—L. F. 55-93, DATED, BANGALORE, 7TH SEPTEMBER 1893.

ORDER THEREON.—Government resolve to issue orders on the points raised in the letter read above, in connection with the service of midwives employed in the several Taluks of the Province.

2. Midwives employed in Taluks are now paid at Rs. 15 and 20, but in future the Senior Surgeon suggests that 3 scales should be formed of Rs. 15, 18 and 20 for the Maidan, semi-Malnad and Malnad Taluks respectively in the same way as charge allowances are granted to Hospital Assistants in charge of Local Fund Dispensaries, with eight annas extra for every case over four attended in a month by a midwife in the Malnad proper, and for every one over five attended by a midwife in the other Taluks, together with a Travelling allowance at reasonable rates. The Presidents of Local Fund Boards, and Municipalities in the several Districts of the Province accept the principle of the suggestion of the Senior Surgeon, though some of them think a smaller pay than Rs. 20 and 15 might suffice. Some of the Presidents think that instead of 8 annas, a fee of 12 annas might be granted for the number attended over the minimum prescribed. Government approve of the suggestion of the Senior Surgeon, and sanction the introduction of the scale recommended by him from 1st January 1894. But if the adoption of the scale involves a reduction of the pay of any of the existing incumbents, and they do not accept the change proposed, their pay should not be reduced but they will not also be entitled to the additional remuneration offered for cases attended in excess of the prescribed number. If the midwives do not attend the prescribed number of cases, and they cannot satisfactorily explain their omission, they may be fined at the discretion of the Presidents of Local Fund Boards and Municipalities. They may draw a mileage of 2 annas per mile, when they travel a distance of over 5 miles from their Head Quarters, but they should not be allowed to draw any batta during their halts. In all probability they will be boarded and accommodated by persons on whom they attend.

3. The employment of midwives should not be confined to the Head Quarters of the Taluks in which they are employed. Their services should be available to the people of the whole Taluk or Taluks for which they have been employed. Eventually it is the intention of Government to have at least one midwife for each Taluk.

4. The other question raised by the Senior Surgeon relates to the general control to be exercised over the midwives. He thinks that the control should be with the Senior Surgeon and that he should be competent to fine, suspend, dismiss or transfer a midwife from one Taluk to another, or bring her into Head Quarters for further training or to be kept under observation. The Presidents of Local Fund Boards and Municipalities of Bangalore, Kolar and Mysore are opposed to the control being vested in the Senior Surgeon, while the Presidents of the other Districts have no objection to the Senior Surgeon having the control. Government consider that since these midwives are paid entirely from the Municipal and Local Funds, the control must necessarily vest in the Presidents of the Boards. They have greater opportunities of knowing whether the midwives are conducting themselves properly or not, but in all important matters connected with the control, they are required to consult the Senior Surgeon, and be guided by his advice. When they fail to do so, the Senior Surgeon is at liberty to bring the matter to the notice of Government. Whenever the Senior Surgeon thinks that a midwife requires to be kept under observation at the Head Quarters or for further training, he should suggest the same to the Deputy Commissioner concerned, and if he fails to comply with his request, bring the matter to the notice of Government.

Chief Secretary.

To—The Senior Surgeon and Sanitary Commissioner with the Government of Mysore.
The Deputy Commissioners of Districts and Presidents of Municipal and Local Fund Boards.
The Comptroller to the Government of Mysore.

No. 4532-40—L. F. 16-92, DATED, BANGALORE, 8TH SEPTEMBER 1893.

ORDER.—In Government Proceedings, dated 28th October 1892, No. 5805-15—L. F. 16-92, Deputy Commissioners were required to send to the Comptroller, Municipal and Local Fund Accounts of each month for audit within the 15th of the following month, but the Comptroller has repeatedly brought to the notice of Government that they are not regularly forwarded to him and that he has consequently been unable to submit to Government, punctually, the returns required. Such constant inattention to and non-compliance with, the orders of Government cannot be any longer tolerated. But as probably the time allowed to Deputy Commissioners for the submission of the accounts, is not sufficient, Government are pleased to extend it to the 30th of the month following. That is, the accounts for August must be forwarded to the Comptroller within the 30th of September.

2. In view to the accounts being forwarded in time, the Treasury Assistants should be authorized to obtain classified accounts from the several Departments and Officers concerned, and to send them on to the Comptroller in time in due form after checking the totals with his Treasury accounts. Deputy Commissioners are also requested to authorize the Treasury Officer to stop the pay of the Taluk Sheristadar and other Clerks who may delay in sending him the accounts and to take proper notice of the delays brought to his notice by the Treasury Assistants.

3. The Comptroller is requested to report to Government, the names of the Treasury Assistants who may in future delay the submission of the accounts.

READ :—

Dockets from the Deputy Commissioner of the Kadur District, dated 20th March and 30th April 1893, Nos. 281 and 293 respectively, submitting the Budget Estimates of the several Municipalities of the District for the year 1893-94.

READ ALSO :—

Letter from the same officer, dated 16th June 1893, No. 377, submitting a supplemental Budget of the Yedahalli Municipality for 1893-94.

No. 4541-4—L. F. 62-93, DATED, BANGALORE, 11TH SEPTEMBER 1893.

ORDER THEREON.—Government resolve to review the Budget Estimates of the several Municipalities in the District of Kadur for 1893-94.

CHIKMAGALUR.

2. The income of this Municipality for 1893-94 is estimated at Rs. 17,030 against Rs. 19,240, the actuals of 12 months of the year 1891-92, and 16,947, the sanctioned estimate for 1892-93.

No.	Details.	Actuals of 12 months of 1891-92.	Estimate for 1892-93.	Estimate for 1893-94.
I	Octroi	9,190	7,850	8,540
II	Tax on houses ...	2,052	3,500	3,500
VII	Mohatarfa	1,324	2,207	2,304
VIII	Rents	189	240	185
IX	Fines	15	...	...
X	Miscellaneous	6,470	3,150	2,501
	Total.....	19,240	16,947	17,030

3. *I. Octroi.*—The decrease compared with the actuals of 1891-92, which is chiefly in (*c*) "Jaggery" and "VII. Cloth" is not explained. There is nothing to justify the low estimates. They will be raised from Rs. 400 and 5,000 to Rs. 500 and 5,100 respectively.

		Actuals of 12 months of 1891-92.	Probable collection of 1892-93.	Estimate for 1893-94.
(*c*)	Jaggery ...	433	569	400
VII.	Cloth ...	5,392	4,799	5,000

4. *II. Tax on houses and VII. Mohatarfa.*—The increased estimates are based upon the probable collections of 1892-93 and are passed.

5. *IX. Fines.*—No estimate is entered under this head against Rs. 19 realized during the 15 months of the year 1891-92. A sum of Rs. 10 will be entered under this head.

6. X. *Miscellaneous.*—The principal items of variation are "(*a*) sale of lands" and "(*n*) other items."

(*a*)	...	+	241
(*n*)	...	—	4,769

The increase under the former is due to the expected increase in the sale of building sites and the large decrease in the latter is probably due to the credit on the last day of 1891-92 of a large balance which remained unspent in the hands of the Vice-President, no such item being expected during 1893-94.

7. The income as now estimated amounts to Rs. 17,240.

8. The estimated balance is entered as Rs. 14,245; but according to the figures given in Government Proceedings, dated 22nd May 1893, No. 1974-9—L. F. 244-92, the correct balance is only Rs. 5,545 which will be adopted in the Budget.

9. Adding to the estimated receipts (Rs. 17,240), the balance of Rs. 5,545, the sum available for expenditure during 1893-94 is Rs. 22,785, of which Rs. 18,508 are proposed to be expended leaving a balance of Rs. 4,277 at the end of the year.

Items.	Details.	Actuals of 1891-92.	Estimate for 1892-93	Estimate for 1893-94.

XI	Miscellaneous ...	2,547	3,850	2,524
	Total.....	12,440	28,133	18,508

10. *I. Interest on debt.*—A sum of Rs. 2,128 is entered under this head to meet the interest payable on the loan raised and to be raised by the Municipality for the water-supply project of the town at 3 per cent per annum. As Government declined to sanction the reduction of the rate of interest from 4 to 3 per cent, the interest will be calculated at 4 per cent on the loan of Rs. 40,000 only already raised and a provision of Rs. 1,600 made on that account. No additional loan has been yet sanctioned and even if a further loan be granted during the current year, the interest thereon will become due in the next year and not in the current year.

11. *II. Head office.*—The estimate under this head includes the pay of a Deputy Mutsaddi proposed to be newly entertained and an increase of Rs. 40 on account of furniture. The proposed employment of a Deputy Clerk on Rs. 8 per mensem in the District office should form the subject of a separate reference, which the Deputy Commissioner is requested to submit. Pending such reference, the estimate for the two items referred to will stand. No provision whatever is made under this head on account of contribution payable by this or other Municipalities in the District towards the cost of establishments maintained in the Comptroller's and Dewan's offices. The sum of Rs. 490, which the District Municipalities have to contribute will be apportioned among the various Municipalities as detailed in the following statement. The estimate under this head will accordingly be altered to Rs. 585:—

		Rs.
1.	Chikmagalur	248
2.	Tarikere	102
3.	Birur	40
4.	Kadur	21
5.	Yedahalli	27
6.	Ajjampur	23
7.	Sringeri	26
	Total Rs. ...	490

12. *III. Collection (a) Octroi.*—An increase of 1 Rupee is proposed to be given to 7 Kolkars who now receive Rs. 4 per mensem on the ground that competent men cannot be secured for the present low rate of pay. The increase is sanctioned and the estimate passed.

13. *III. Collection (b) House and Mohatarfa taxes.*—The new provision of Rs. 116 made under this head represents the per-centage remuneration proposed to be granted to the village servants for the trouble of collecting these taxes under Government Proceedings, dated 31st October 1892, No. 5954-63—L. F. 157-92, and no provision is made in the present Budget on account of the salaries of the Mutsaddi and Peon hitherto employed on collection duty, their services being proposed to be done away with. The proposal is approved and the estimate passed.

14. *IV. Conservancy.*—The omission of provision for purchase of new carts accounts for the decrease in the estimate which is passed.

15. *VII. Lighting.*—The increase under this head is due chiefly to 4 additional lamps proposed to be purchased and used during 1893-94. The estimate is sanctioned.

16. *VIII. Public Works.*—The provision made under this head consisting of the marginally noted items, is approved.

17. *IX. Charitable Grants (a) Dispensaries.*—The new provision of Rs. 211 made in the Budget on account of the Dispensary for women and children sanctioned in Government Proceedings, dated 10th October 1892, No. 5015-6—L. F. 4-92 is passed.

18. *IX. (d) Maternity.*—The midwife hitherto employed on Rs. 50 by the Municipality, having died, the Board propose to appoint another on a smaller salary of Rs. 25, as the services of a first class Female Hospital Assistant, who will be in charge of the newly sanctioned Female Dispensary will be available for treatment of Women and to grant her a monthly house rent allowance of Rs. 5. The provision made will be retained tentatively pending the submission of explanation as to whether the services of a midwife on Rs. 15 or 20, the rate allowed for midwives elsewhere cannot be secured for the town and why any house rent allowance should be granted to her, while the same is not allowed for similar servants employed in Taluks.

19. *XI. Miscellaneous.*—The net decrease of Rs. 1,326 under this head is due to a gross decrease of Rs. 1,638 in the items noted in the margin and to a gross increase of Rs. 312 in "(*c*) cattle pounds." The increase in "(*c*) cattle pounds" is due to the provision newly made on account of feeding charges and the increase of pay from Rs. 9 to 10 per mensem proposed to the cattle pound keeper. The proposal is sanctioned and the provision passed. The decrease in "(*a*) repayment of loan" is only nominal, as the sanctioned estimate for 1892-93 included the 1st instalment of the water-supply loan as well as interest thereon, while the present estimate represents only the instalment payable for 1893-94, and not interest which is shown under its proper head, "I. Interest on loan." The deminished provision under (*g*) Fairs and Festivals is passed. The Board propose to do away with the Head Gardener on Rs. 15 per mensem and a Mali and to raise the pay of the remaining 2 Malis from Rs. 5 to 6 and to grant an allowance of Rs. 8 per mensem for the supervision of the Park, the provision for plants being reduced from Rs. 328 to 300, involving a net decrease of Rs. 148. The provision is retained, subject to the submission of explanation, as to how and by whom the supervision is going to be exercised.

		Rs.
(*a*)	Repayment of loan	1,440
(*g*)	Fairs and Festivals	50
(*h*)	Other items	148
		1,638

20. The other items call for no remarks.

TARIKERE.

21. The receipts of this Municipality for the year 1893-94 are estimated at Rs. 6,989 against Rs. 4,149 the actuals of 1891-92.

No.	Details.	Actuals of 12 months of 1891-92.	Probable collections of 1892-93.	Estimate for 1893-94.

X	Miscellaneous ...	1,590	1,451	2,193
	Total.....	4,149	6,153	6,989

22. *I. Octroi.*—The estimate under this head based upon the actual and probable collections of 1891-92 and 1892-93 is passed.

23. *II. Tax on houses and VII. Mohatarfa.*—The Deputy Commissioner proposes to credit the Municipality with entire receipts from House and Mohatarfa taxes in consideration of the Municipality bearing the cost of the Town Police and accordingly includes the Government moiety of these duties, in the estimate. This accounts for the increases under these heads. Separate orders will be issued on the proposal to transfer to the Municipality the Government share of House and Mohatarfa taxes. Meanwhile the estimates will stand.

24. *VII. Rents.*—The new estimate under this head represents the income expected to be derived from the produce of the Park stated to have been handed over by Mr. Courpalais and is passed.

25. *X. Miscellaneous.*—The chief item of increase is in the sub-head "(*a*) Sale of lands," under which Rs. 1,100 are estimated from the sale of building sites to be allotted out of Survey Nos. 126 and 16 proposed to be acquired at a cost of Rs. 500 for the extension of the town. The estimate is passed.

26. The estimate as now sanctioned exclusive of the Government moiety of House tax and Mohatarfa in regard to which final orders will be issued hereafter, amounts to Rs. 5,134 to which Rs. 1,218 the estimated balance on 1st July 1893, being added, the sum available for expenditure during 1893-94 is Rs. 6,352; but the proposed expenditure exceeds this amount by Rs. 89. The charges have therefore to be reduced.

27. *II. Head office.*—For reasons given in para 11 *supra*, the provision under this head will be raised by Rs. 102.

28. *IV. Conservancy.*—The marginally noted new items account for the increase under this head. Item 4 has already been sanctioned in Government Proceedings, dated 27th July 1893, No. 1625-6—L. F. 25-92, the increase provided for the hire of conservancy carts will accordingly be passed; but owing to the insufficiency of funds, the other items will be disallowed and the provisions sanctioned for 1892-93 will be repeated in the present Budget.

29. *V. Police.*—The provision newly made on account of the purchase of oil for night patrol accounts for the increase in the estimate, which is passed.

30. *VIII. Public Works.*—The provision made under this head consisting of the marginally noted items includes Rs. 200 for "Drains original" which will be struck out owing to the insufficiency of funds.

31. *XI. Miscellaneous.*—The estimate under this head makes no provision for feeding charges of the impounded cattle. The omission occurs in this and the other Minor Municipalities of the District also. The sums noted in the margin will be inserted on this account. The increase under the head "Miscellaneous" is due to the Boards proposal to entertain 2 gardeners on Rs. 6 each for the up-keep of the Park handed over by Mr. Courpalais to the Municipality. To meet the salaries of the gardeners and the cost of plants a sum of Rs. 150 is newly entered in the Budget while only Rs. 50 are entered on the Receipt side on account of the Park. Before finally sanctioning the provision, Government wish to learn whether the Park was absolutely made over to the Municipality, the number and description of trees therein contained, the area of the Park and the necessity for the employment of 2 gardeners. Pending explanation however the estimate will stand.

34. The other items based upon the probable collections of 1892-93 call for no remarks.

Including the opening balance of Rs. 9,269, the sum available for expenditure during 1893-94 is Rs. 11,974, of which Rs. 5,750 are proposed to be expended leaving at the end of the year a balance of Rs. 6,224 which is much larger than 30 per cent of the receipts. Government however do not propose to disturb this balance as in all probability it is reserved for the water-supply project of the Town.

36. *II. Head office.*—With reference to the remarks contained in Para 11 *supra*, the provision under this head will be raised from Rs. 32 to Rs. 72.

37. *III. Collection* (*a*) *Octroi.*—The provision proposed, which is excessive being more than 6·5 per cent of the estimate under Octroi collections includes the pay of a Kolkar on Rs. 5 per mensem besides the commission of 5 per cent on the collections to the Manegar, collecting the duty. Government are not prepared to sanction the employment of any establishment, exclusive of the commission. The latter will be retained and the former struck out.

38. *IV. Conservancy.*—The proposed purchase of 24 Zinc Dust bins at a cost of Rs. 300 accounts for the increase in the estimate, which is sanctioned.

39. *VII. Lighting.*—The Board propose to purchase 6 lamp posts at a cost of Rs. 150. Hence the increase in the estimate, which is approved.

40. *VIII. P. Pending such reference, the provision will be disallowed.

43. *XI. Miscellaneous.*—The increase is mainly due to the proposed formation of a Park below the Amruthayanakatte, for which a sum of Rs. 100 is newly entered under this head. This item is retained. With reference to the remarks contained in Para 30 *supra*, the total estimate under this head will be raised from Rs. 165 to Rs. 200.

44. The other items call for no remarks.

The Deputy Commissioner is requested to propose a further expenditure of Rs. 1,400 for useful Public works.

47. *II. Head office.*—The provision under this head will be raised from Rs. 20 to Rs. 44 for reasons given in Para 11 *supra*.

48. *III. Collection (a) Octroi.*—The percentage remuneration payable on the estimated receipts from Octroi amounting to Rs. 500 is only Rs. 25 and not Rs. 37 as entered in the Budget. The President is requested to explain the necessity for the excess sum of Rs. 12. Pending explanation, the estimate will not be disturbed.

49. *IV. Conservancy.*—The proposal to allow an increase of 1 rupee to the Conservancy Peon and to purchase Dust bins at a cost of Rs. 150, the provision for tools being raised by Rs. 10 accounts for the increase in the estimate which is sanctioned.

50. *VII. Lighting.*—A sum of Rs. 100 is newly provided for the purchase of 3 Lamp posts during 1893-94 and 20 Lamps are proposed to be lit up in 1893-94 instead of 18 in 1892-93. Hence the increase in the estimate. The Deputy Commissioner is requested to explain why 3 lamp posts are

proposed to be purchased, when only 2 additional lamps are proposed to be lit during 1893-94. Meanwhile the estimate will be allowed to stand.

51. *VIII. Public Works.*—The provision made will be passed subject to the remarks made in Para 46 *supra.*

52. *XI. Miscellaneous.*—The new provision of Rs. 50 made for the purchase of Graft Mangos plants, &c., for the Park and of Rs. 24 entered to meet the increase of 1 rupee each proposed to be allowed to the gardener and a Honda guard, accounts for the increase in the estimate. The increases are sanctioned, and the total estimate raised from Rs. 228 to Rs. 248 in view to admit of the charges debitable to this Municipality under Para 31 *supra.*

Yedahalli.

53. The income of this Municipality for 1893-94 is estimated at Rs. 1,812 (and not Rs. 1,744 as erroneously entered in the supplemental Budget received with the Deputy Commissioner's Docket, dated 16th June 1893, No. 377) against Rs. 1,439, the actuals of 1891-92.

54. *I. Octroi.*—The increase under this head is due to the Deputy Commissioner's proposal to bring under "Octroi" Cocoanuts, oil and Tobacco, from which an additional revenue of Rs. 350 is expected during 1893-94. Pending the introduction of the Municipal Regulation now under the consideration of Government, the levy of new taxes must be deferred. The estimate will accordingly be reduced to Rs. 150.

55. *II. Tax on houses and VII. Mohatarfa.*—The estimates under these heads represent the entire income from these items including Government share, which the Deputy Commissioner proposes to make over to the Municipality in view to maintain it in its present condition. A separate reference should be submitted on this subject stating the result of the revision of the taxes directed in Government Proceedings, dated 8th September 1892, No. 3839-48—L. F. 161-92. Pending such reference, the estimates will be reduced by half.

56. *X. Miscellaneous.*—The decrease under this head is the result of a gross decrease of Rs. 860 and of a gross increase of Rs. 90 in the items specified in the margin. The cause of decrease in the several items has not been explained. The omission should be supplied. Almost the whole increase is in "(*f*) School fees" expected to be derived from the English School in the town. The estimate will be retained.

ture during 1893-94 is Rs. 1,129, while the proposed charges exceed this amount by Rs. 132. The charges have therefore to be reduced.

58. *II. Head office.*—Including the sum of Rs. 27, debitable to this Municipality under Para 11 *supra*, the provision under this head will be Rs. 39.

60. *VII. Lighting.*—The provision of Rs. 10 made is stated to be on account of the allowance to a Mutsaddi. It is difficult to understand why a lighting Mutsaddi is wanted while there is no provision for lighting. The provision will be struck out pending explanation.

62. *X. Education.*—There was a school in the town with a master on Rs. 15 per mensem. The school was ordered to be abolished in 1892-93 for want of funds. The Board and the Education Secretary strongly recommend the continuance of the school allowing an increase of Rs. 5 to the pay of Head master with 1 Rupee on account of contingencies. This proposal has been approved in Government Proceedings, dated 27th July 1893, No. 1624—L. F. 25-92, and the estimate will be passed.

63. *XI. Miscellaneous.*—A sum of Rs. 15 will be entered in the Budget for reasons given in para 31 *supra*.

The Deputy Commissioner should submit a separate reference on the subject. Pending the issue of final orders on such reference the usual Municipal share of these taxes will be retained, the provision made for Police charges on the side of expenditure being struck out.

66. The income as now estimated amounts to Rs. 920. Adding to this, the balance in favor of the Municipality on 1st July 1893, *viz.*, Rs. 734 the sum available for expenditure during 1893-94 is Rs. 1,654, while the proposed charges exceed this amount by Rs. 228. Proceedings of the Government of His Highness the Maharaja of Mysore, (Local Boards Branch—Municipal),—dated 12th September 1893.

READ :—

Letter from the Deputy Commissioner of the Chitaldroog District, dated 15th May 1893, No. 647—602, submitting the Budget Estimates of the several Municipalities of the District for the year 1893-94.

No. 4072-6—L. F. 52-93, DATED, BANGALORE, 12TH SEPTEMBER 1893.

ORDER THEREON.—Government resolve to review the Budget Estimates of the several Municipalities of the Chitaldroog District for the year 1893-94.

CHITALDROOG.

2. The estimated income of this Municipality for 1893-94 is Rs. 4,755 against Rs. 5,770, the actuals of 12 months of the year 1891-92 (July 1891 to June 1892) and Rs. 4,785, the sanctioned estimate for 1892-93.

Items.	Details.	Actuals of 1891-92.	Estimate for 1892-93.	Estimate for 1893-94.
I	Octroi	1,782	1,700	1,700

VII	Mohatarfa ...	840	955	875
VIII	Rents	196	215	200
X	Miscellaneous ..	1,822	765	780
	Total.....	5,770	4,785	4,755

3. *X. Miscellaneous.*—The decrease under this head compared with the actuals is chiefly due to the refund during 1891-92 of the unexpended balance of Rs. 951 which remained in the hands of the Vice-President, while no such refund is expected during 1893-94. This accounts for the decrease in the estimate, which is passed.

4. Including the opening balance of Rs. 3,778, the sum available for expenditure during 1893-94 is Rs. 8,533, of which Rs. 7,321 are proposed to be expended leaving a balance of Rs. 1,212 at the end of the year :—

5. *II. Head Office.*—The provision under this head omits the contribution payable by this Municipality towards the cost of establishments maintained in the Comptroller's and Dewan's offices. The omission occurs also in respect of the other Municipalities of the District. A sum of Rs. 224 will accordingly be inserted in the several Budgets as noted in the margin.

6. *III. Collection.*—The usual provision made on account of the collection of House and Mchatarfa taxes includes the pay of a Mutsaddi on Rs. 14 per mensem. The Deputy Commissioner is requested to state whether it would not be more advantageous to dispense with the services of the Mutsaddi and employ the village servants on collection duty on payment of commission. Pending information, the estimate will be retained.

7. *VIII. Public Works.*—The provision consisting of the marginally noted details is passed. The provision of Rs. 2,000 under item 5 is stated to be for opening new streets and widening some of the existing narrow lanes and for other special sanitary improvements of the town. 8. The receipts of this Municipality for 1893-94 are estimated at Rs. 5,100 against Rs. 4,241, the actuals of 1891-92. The estimates, which are based upon the probable collections of 1892-93 are fair and are accepted.

Items.	Details.	Actuals of 1891-92.	Estimate 1893-94.
I	Octroi	1,137	1,600
II	Tax on houses, &c. ...	1,325	1,500

9. The opening balance is given as Rs. 2,779; but according to the supplemental Budget sanctioned in Government Proceedings, dated 5th June 1893, the correct balance is Rs. 1,251 only. This figure will be entered in the Budget.

10. Adding the balance of Rs. 1,251 to the estimated receipts, the sum available for expenditure during 1893-94 is Rs. 6,351, of which Rs. 6,295 are proposed to be expended leaving at the end of the year a balance of Rs. 56, which is less than 25 per cent of the receipts by Rs. 1,219. The expenditure has therefore to be reduced.

11. *II. Head Office.*—With reference to the remarks made in para 5 *supra*, the estimate will be altered to Rs. 110.

12. *III. Collection.*—The pay of the Mutsaddi employed for collecting House and Mohatarfa taxes is proposed to be increased from Rs. 10 to 12, the provision for contingencies being raised from ½ to 1 Re. This accounts for the increase under this head. The Deputy Commissioner is requested to state whether it would not be more advantageous to entrust the collection duty to the village servants on payment of a commission on the collections, the services of the existing Mutsaddi being done away with. Pending explanation, the increase provided will be disallowed and the sanctioned estimate for 1892-93 will be repeated in the present Budget.

13. *V. Police.*—The increase is due to the proposed revision of the Town Police establishments. Pending the submission of a seperate reference in regard to the proposed revision, the sanctioned provision for 1892-93 will be repeated in the present Budget.

14. *VIII. Public Works.*—The estimate consists of the marginally noted items. Owing to the insufficiency of funds, item one will be struck out and items 3 and 6 reduced by 200 each and the estimate reduced to Rs. 1,750.

16. *Item* 1.—Which is chargeable to the Medical Budget is struck out.

17. *Item* 2.—The Deputy Commissioner proposes the employment of a separate Vaccinator on Rs. 10 per mensem for the exclusive use of the large town, the pay being apportioned to Provincial and Municipal funds in equal proportions. The Deputy Commissioner is requested to submit the resolution of the Municipal Board on the subject and make a special reference, meanwhile, the provision will be struck out. It is noted that in Budget Statement No. III, the provision of Rs. 40 on account of ⅓rd cost of contingencies of the Local Fund Dispensary at Davangere has been erroneously omitted such omissions should be carefully guarded against in future.

18. X. *Education.*—The omission of an estimate of Rs. 20 sanctioned in 1892-93 on account of furniture of the school accounts for the decrease in the estimate, which is passed.

19. The other items call for no remarks.

HARIHAR.

20. The income of this Municipality for 1893-94 is estimated at Rs. 2,978, against Rs. 3,410 the actuals of 1891-92.

21. The estimates under Octroi, House and Mohatarfa taxes and X. Miscellaneous are based upon the probable collections of 1892-93 and are passed. The large decrease under "X. Miscellaneous" is due to the extraordinary items of receipt in 1891-92 from refunds and contributions.

22. Including the opening balance of Rs. 4,089, the sum available for expenditure during 1893-94 is Rs. 7,067, of which Rs. 6,256 are proposed to be expended leaving at the end of the year a balance of Rs. 811.

II. Head Office ...	42	40	40

23. *II. Head Office.*—Including the sum of Rs. 27 payable by this Municipality under para 5 *supra* on account of establishments in the Dewan's and Comptroller's offices, the estimate under this head will be Rs. 67.

24. *III. Collection.*—The pay of the Mutsaddi employed on collection duty is proposed to be raised from Rs. 8 to 10 per mensem. This accounts for the increase under this head. Explanation similar to that called for in para 12 *supra* should be submitted by the Deputy Commissioner. Pending the receipt of such information, the sanctioned provision for 1892-93 will be repeated in the present Budget.

25. *VII. Lighting.*—The proposed purchase of lamps and lanterns at a cost of Rs. 150 accounts for the increase in the estimate, which will be retained; but the Deputy Commissioner is requested to state the number of lights now existing and the monthly cost of lighting each, as well as the number of lamps to be bought and the price of each.

26. *VIII. Public Works.*—A sum of Rs. 1,200 is provided under "other works" which is explained to comprise the construction of a bridge over the stream which cuts the town into two portions accessible to each other only with great difficulty. The provision is approved.

	Rs.
1. Repairing roads	1,000
2. Constructing drains	900
3. Other works	1,200
4. Educational repairs	15
5. Compensation	500
	3,615

27. *IX. Charitable Grants.*—The provision newly made to meet a moiety of the salary of the Vaccinator proposed to be employed in the Municipality accounts for the increase. A separate reference should be made on the subject of employing a Vaccinator. Meanwhile the increased provision will be struck out. Likewise the sum of Rs. 9 entered under this head on account of the travelling allowance of the Hospital Assistant which is chargeable to the Medical Budget, will be disallowed.

28. *X. Education.*—The Board provide Rs. 13 on account o af moiety cost of furniture proposed to be supplied to the English School during 1893-94. Hence the increase in the estimate, which is passed.

29. The other items call for no special remarks.

HOLALKERE.

30. The estimated income of this Municipality for 1893-94 amounts to Rs. 955, against Rs. 870, the actuals of 1891-92. The estimate, which is based upon the probable collections of 1892-93, is passed.

34. *IX. Charitable Grants.*—The estimate under this head includes Rs. 9 on account of the travelling allowance of the Hospital Assistant. As the amount is chargeable to the Medical Budget, the item will be disallowed and the estimate reduced to Rs. 180.

35. *XI. Miscellaneous.*—The increase is due to the allowance proposed to be granted to the Taluk Gumasta for doing Municipal work. The Deputy Commissioner is requested to submit a separate reference on the proposal to grant the allowance. Pending such reference and the issue of final orders thereon, the estimate will be struck out.

HIRIYUR.

36. The income of this Municipality for 1893-94 is estimated at Rs. 755 against Rs. 893, the actuals of 1891-92. The estimate based upon the probable collections of 1892-93 is fair and is passed. It is to be noted that the decrease is due mainly to the credit in the accounts of 1891-92 of the balance remaining unspent on the last day of the year, no such item being expected during 1893-94.

42. *I. Octroi.*—The estimate based upon the actuals of 1891-92, will be slightly raised to Rs. 190,* being the average of the collections of the past 2 years.

43. *X. Miscellaneous.*—The decrease is only nominal, as a sum of Rs. 283 credited in the accounts of 1891-92 was the unspent balance which remained in the hands of the Vice-President on the last day of the year.

44. The estimate as now sanctioned amounts to Rs. 1,099. Adding to this, the opening balance of Rs. 646, the sum available for expenditure during 1893-94 is Rs. 1,745, of which Rs. 1,466 are proposed to be expended, leaving a balance of Rs. 279 at the end of the year.

45. *II. Head Office.*—For reasons given in para 5 *supra*, the estimate will be altered to Rs. 37.

46. *VII. Lighting.*—The new provision of Rs. 30 made in the present Budget on account of the purchase of lamp-posts and lanterns accounts for the increase in the estimate, which is passed.

47. *VIII. Public Works.*—The provision made under this head is for the following works and is passed :—

		Rs.
(1)	Repairing roads	50
(2)	Do drains	50
(3)	Water-supply, original	200
(4)	Other original works	70

48. *IX. Charitable Grants.*—The provision made under this head includes Rs. 9 on account of the travelling allowance of the Hospital Assistant. This item will be disallowed as it is a proper charge upon the Medical Budget and not upon the Municipal Budget.

49. The other items are passed as they call for no remarks.

CHALLAKERE.

50. The receipts of this Municipality for 1893-94 are estimated at Rs. 525 against Rs. 520, the actuals of 1891-92.

II.	Tax on houses ...	154	190
VII.	Mohatarfa	110	147
X.	Miscellaneous ...	256	188

51. *II. Tax on houses and VII. Mohatarfa.*—The estimates justified by the probable collections of 1892-93 are fair and are passed.

52. *X. Miscellaneous.*—The marginally noted variations account for the decrease under this head. The decrease under "Other items" is only nominal as Rs. 164, being the unexpended balance on the last day of the year 1891-92, was credited in the accounts of that year. The increase under (*d*) "Pounds" is justified by the probable collections of 1892-93, but that under the remaining 2 items has not been explained. Probably it is due to a similar cause. The estimate is passed.

53. Including the opening balance of Rs. 303, the sum available for expenditure during 1893-94 is Rs. 828, of which Rs. 512 are proposed to be expended, leaving at the end of the year a balance of Rs. 316, which is more than 30 per cent of the receipts by Rs. 159. The Deputy Commissioner is therefore requested to propose a further expenditure of Rs, 150 for useful sanitary works.

54. *II. Head Office.*—As under para 5 *supra*, the amount which this Municipality has to contribute is Rs. 7 only, on account of establishments in the Dewan's and Comptroller's offices, the same will be inserted in the estimate in lieu of Rs. 10 entered against audit charges.

55. *IV. Conservancy.*—The provision of Rs. 30 sanctioned in 1892-93 on account of carts has been omitted, fodder charges being raised by Rs. 6. This accounts for the decrease of Rs. 24 in the estimate, which is approved.

56. *VII. Lighting.*—The new provision of Rs. 20 made for the purchase of lamp-posts accounts for the increase in the estimate, which is passed.

57. *VIII. Public Works.*—The provision, which consists of the marginally noted items, is sanctioned.

JAGALUR.

59. The income for 1893-94 of this Municipality is estimated at Rs. 763 against Rs. 1,363 (and not Rs. 1,273 as erroneously entered in the Budget Statement No. 1), the actuals of 1891-92.

60. The estimates under House and Mohatarfa taxes and Fines are based upon the probable collections of 1891-92 and are passed.

61. *X. Miscellaneous.*—The decrease under this head is chiefly in (*a*) Sale of lands and "(*n*) other items." The decrease in (*a*) is due to the smaller number of house sites available for sale and that in (*n*) to the credit in 1891-92, of Rs. 457, being the unspent balance which remained with the Amildar on the last day of the year. The estimate is passed.

62. Including the opening balance of Rs. 513, the sum available for expenditure during 1893-94 is Rs. 1,276 of which Rs. 1,155 are proposed to be expended, leaving a balance at the end of the year of Rs. 121, which is less than 25 per cent of the receipts by Rs. 70.

63. *II. Head Office.*—As stated in para 5 *supra*, the provision of Rs. 10 for audit charges will be struck out and the same will be shown against contribution towards the cost of establishments in the Dewan's and Comptroller's offices.

64. *IV. Conservancy.*—The President proposes to increase the provision for fodder charges from Rs. 36 to Rs. 60. This accounts for the increase in the estimate, which is passed.

65. *VIII. Public Works.*—The provision consists of the marginally noted details. Owing to the insufficiency of funds, estimate under item (1) will be reduced by Rs. 20 and that under item (5) to Rs. 10. It is not explained what for the provision under (4) is made. It will however be reduced by Rs. 30.

67. The other items, which call for no remarks, are retained.

MOLAKALMURU.

68. The President estimates the income of this Municipality for 1893-94 at Rs. 883 against Rs. 854, the actuals of 1891-92. The only item calling for any remark is "X. Miscellaneous," under which the decrease is only nominal, inasmuch as a sum of Rs. 64, which remained unspent on the last day of the year 1891-92, was credited in the accounts of the year, no such item being expected during 1893-94.

The Presidents of the Bangalore and Mysore City Municipalities.
The Comptroller to the Government of Mysore.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Local Boards Branch—Municipal),—dated 22nd September 1893.

READ:—

Letter from the Secretary, City Improvement Committee, Bangalore, dated 4th August 1893, No. 27, stating that the Committee feel the want of a good draughtsman to enable them to have plans and elevations prepared on account of buildings to be constructed and requesting that the services of Muthusawmy Pillay an experienced architectural draughtsman may be secured for the Committee on a salary of Rs. 75 per mensem.

No. 5319-22—L. F. 82-92, DATED, BANGALORE, 22ND SEPTEMBER 1893.

ORDER THEREON.—The employment of the draughtsman proposed is sanctioned. The Chief Engineer is requested to spare the services of Muthusawmy Pillay for employment by the Improvement Committee, if he can conveniently do so.

2. Government note that the Municipal Board has not been consulted on the subject, but it is not necessary that it should be consulted, since it is not the intention of Government to make the Municipality bear any portion of the cost of improvements effected in case the receipts by the sale of house sites, &c., fall short of the expenditure, which will be borne by Government from Provincial Funds. Should there however be a surplus, Government will be glad to make it over to the Municipality. For the present, the cost will be treated as expenditure incurred by Government for the improvement of the City and the Comptroller should keep a separate account of the advances made, the expenditure incurred ,and the receipts obtained by the sale of house sites, &c. The expenditure and receipts should be properly audited by the Comptroller and for this purpose, the President of the City Improvement Committee should submit to the Comptroller a statement of receipts and expenditure with the necessary vouchers up to date and monthly in future. The Comptroller after auditing the accounts will forward to Government an abstract statement of receipts and expenditure. Care should be taken that the ordinary expenditure of the Municipality is not mixed up with the "City Improvement Account."

T. ANANDA ROW,
Chief Secretary.

To—The President of the City Improvement Committee.
The President of the Bangalore City Municipality.
The Comptroller to the Government of Mysore.
The Chief Engineer of Mysore.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Local Boards Branch—Municipal),—dated 23rd September 1893.

READ:—

Letters, dated 15th April and 11th May 1893, Nos. 252 and 263 respectively, from the President of the Bangalore City Municipality, submitting the Budget Estimates of the Municipality for the year 1893-94.

No. 5416-9—L. F. 11-93, DATED, BANGALORE, 23RD SEPTEMBER 1893.

ORDER THEREON.—Government observe that in Budget Form No. 1, in the column intended to show "sanctioned estimate for 1892-93," the figures which had been originally proposed by the Board were entered instead of those sanctioned by Government. Such mistakes should in future be carefully guarded against. The necessary corrections have been made in this office.

2. The estimated receipts for 1893-94 exclusive of those relating to the City Improvement Fund which is not included in the Budget, amount to Rs. 1,24,485 against Rs. 1,40,287, the actuals of 12 months of 1891-92 and Rs. 1,11,791, the sanctioned estimate for 1892-93, as shown in the following statement:—

3. *I. Octroi.*—The estimate is based upon the probable collections of 1892-93, which are given as Rs. 25,000. The estimate is fair and is accepted.

4. *II. Tax on Houses.*—The normal demand under this head is only Rs. 20,000, but the President expects in the ensuing year an income of Rs. 30,000 by the revision of the tax. It is premature to anticipate such a large increase before the tax is actually revised. Pending the early submission of a report on the result of the revision of the tax, the estimate will be reduced to Rs. 25,000.

5. *III. License Receipts.*—The increase of Rs. 1,270 under "Liquor Licenses" is not explained. The estimate will be reduced to Rs. 13,000. The increase under "*(b)* Other Licenses" is stated to be due to the proposed enhancement of slaughter house fees from one anna to 3 annas per head of cattle slaughtered. The proposal has not as yet been sanctioned. Therefore the estimate under this head will be reduced to Rs. 2,500, the actual collections of 1891-92.

6. *VII. Mohatarfa.*—The estimate under this head is the same as that sanctioned for 1892-93, but looking to the actuals of 1891-92, it will be raised to Rs. 19,600.

7. *IX. Fines.*—The estimate is based upon the probable collections of 1892-93 which amounted to Rs. 400. This however being an uncertain item, the estimate will be reduced to Rs. 100.

8. *X. Miscellaneous.*—The large decrease under this head compared with the actuals of 1891-92 is due chiefly to the marginally noted items of a non-recurring nature having been credited in the accounts of 1891-92, no such receipt being expected in 1893-94. The details of the estimate for 1893-94 under "X. Miscellaneous—*(m)* Contributions" are given below as contrasted with those of the sanctioned estimate for 1892-93:—

	Rs.
1. Sale of lands in the Western Extension...	6,546
2. Jubilee Fund	2,899
3. Special Improvements ...	11,193
4. Refunds (decrease from 8,939 in 1891-92 to 200 in 1893-94) ...	8,739
5. Other items (decrease from Rs. 2,988 in 1891-92 to Rs. 700 in 1893-94) ..	2,288
Total.....	31,665

Items.	Details.	Estimate for 1892-93.	Estimate for 1893-94.	Estimate sanctioned by Government.
1	Contribution for Subarban roads...	3,600	3,600	3,600
2	Do District Fund roads	1,000	1,000	1,000
3	Do for Government Chattram	800	...	800
4	Do Aralepete Dispensary	411	577	411
5	Do Chattram Hospital	1,248	1,573	1,440
6	Do for Aralepete Dispensary for April, May and June 1892	1,121	...	...
	Total.....	8,180	6,750	7,251

9. *Item* 3.—The omission of the Government grant of Rs. 800 under this head is due to the resolution of the Board to transfer the Government Chattram to the Muzarayi Department. As this resolution has been vetoed by Government in Proceedings, dated 18th July 1893, No. 795—L. F. 421-92, the usual estimate of Rs. 800 will be entered in the present Budget.

10. *Items* 4, 5 *and* 6.—The sums payable towards the cost of the "Aralepete Dispensary" and "Chattram Hospital" are not Rs. 577 and Rs. 1,573 as

erroneously entered in the Budget, but only Rs. 411 and 1,440 respectively, being two-thirds of the entire cost of these institutions amounting to Rs. 616 and 2,159. The correct figures will be adopted in the Budget.

11. The total estimate under "(*m*) Contributions" will thus amount to Rs. 7,251.

12. *Grants-in-aid.*—The estimate under this head does not include the contribution payable by the Sivaganga Matt, in regard to which certain information was called for in para 15 of Government Proceedings, dated 31st January 1893, No. 13214-19—L. F. 272-92. The estimate will be passed but the information called for must be submitted at an early date.

13. The estimated receipts as above sanctioned come to Rs. 1,16,736.

14. The opening balance is given as Rs. 27,377, but according to Government Proceedings, dated 18th July 1893, it is only Rs. 20,780, which will be adopted in the Budget.

15. Adding to the above balance the estimated income, Rs. 1,16,736, the sum available for expenditure during 1893-94, is Rs. 1,37,516, of which Rs. 1,13,777 are proposed to be expended as shown in the following abstract statement, leaving a balance at the end of the year of Rs. 23,739:—

XII	Jubilee Fund	2,899	...	...	
	Total Rs	1,30,918	1,10,491	1,13,777	

16. *II. Head Office.*—Including the sum of Rs. 450 on account of the marginally noted items, which are erroneously included under "XI. Miscellaneous" though they should properly appear under this head, the total estimate comes to Rs. 7,803. The increase of Rs. 1,385 compared with the sanctioned estimate for 1892-93 is the result of a gross increase of Rs. 1,785 in the marginally noted items and of a gross decrease of Rs. 400 under "Audit charges."

		Rs.
1.	Office Furniture ...	... 200
2.	Purchase of Journals, &c.	... 150
3.	Postage labels ...	... 100
	Total.....	450

17. *Item I.*—A sum of Rs. 1,200 is provided in the Budget on account of the allowance of the Vice-President, while under Government Proceedings, dated 3rd April and 19th June 1893, Nos. 16298-301—L. F. 197-92 and 20906-7—L. F. 197-92 respectively, the amount that has to be entered on account of his pay (Rs. 200) and carriage allowance (Rs. 100) is Rs. 3,600. The latter figure will be inserted in the Budget in lieu of Rs. 1,200 proposed.

		Increase. Rs.
1.	Allowance to the Vice-President...	1,200
2.	Record-keeper	180
3.	Mutchi	120
4.	Contingencies to be raised from Rs. 120 to 180	60
5.	Office Furniture	50
6.	Purchase of Journals ...	100
7.	Postage labels	75
	Total.....	1,785

18. *Items 2 and 3.*—The Board consider that the employment of a Record-keeper on Rs. 15 is absolutely necessary to arrange the records, which are in utter confusion and to maintain them in proper condition. Moreover the President proposes the employment of a Mutchi on the ground that the more valuable time of Clerks is often wasted on work, which a less expensive Mutchi can and ought to do. Accordingly a sum of Rs. 300 is newly entered on this account. The employment of a Mutchi on Rs. 10 is sanctioned permanently and of a Record-keeper temporarily for one year. Government expect that before the expiration of the period all the Municipal records will have been properly arranged, and the existing Clerk and *Record-keeper* on Rs. 25 per mensem should be able to maintain them in proper order thereafter.

19. *Item 4.*—The enhanced provision under "Contingencies" is approved.

20. *Items 5, 6 and 7.*—The necessity for the increases proposed is not explained. The estimates will however be retained, subject to explanation.

21. The omission of the provision for audit charges is due to the annual audit having been recently substituted by monthly audit in the Comptroller's office.

22. The provision under "II. Head Office" as now sanctioned thus amounts to Rs. 10,203.

23. *III. Collection—(a) Octroi.*—In view to reduce the charges under this head, the President proposes to dispense with the services of the Deputy Inspector and 5 Peons and to make no provision on account of Peons, badges and states that no further reductions in the still high percentage (18) of charges can be made except either by leasing out on contract the collection of Octroi or by increasing the number of dutiable articles without increasing the establishments. Government are not now prepared to pass orders on the question of farming out the Octroi collections nor can the dutiable articles be increased until the Municipal Regulation now under the consideration of Government is passed. Meanwhile however the proposal to dispense with the services of 5 Peons and to omit the provision for Peons' badges is approved. The usual provision on account of the salary of the Deputy Inspector will be inserted in the

Budget, pending the receipt of information called for in Government Proceedings, dated 17th July 1893, No. 688—L. F. 272-92.

24. *III. Collection.—(b) House and Mohatarfa taxes.*—The provision of Rs. 334 sanctioned in the Budget of 1892-93 on account of the pay of the City Amildar is omitted in the present Budget and in lieu thereof a sum of Rs. 120 is newly entered on account of the pay of a Gollar on Rs. 5 and a monthly increase of Rs. 5 proposed to the salary of the Shroff, who now draws Rs. 10 per mensem. This accounts for the net decrease of Rs. 214 under this head. The omission of provision for the pay of the City Amildar is in accordance with Government Proceedings, dated 27th February 1893, No. 14414-5—L. F. 197-92. As the Board consider that the employment of a Gollar and an increase to the Shroff are very necessary, Government are pleased to sanction the same and approve of the provision made in the Budget.

25. *IV. Conservancy.—(a) Establishment.*—The Board propose to do away with the services of the main Road Overseer as unnecessary and recommend in lieu thereof the employment of 20 additional sweepers on Rs. 5 each and the retention of all but 2 Dafadars of the * temporary establishments disallowed in Government Proceedings, dated 31st January and 18th July 1893, Nos. 1321-9—L. F. 272-92 and 778-83—L. F. 272-92 respectively, on the ground of the utter inadequacy of the present strength of the sweepers to meet the wants of the City. The proposed employment of 20 additional sweepers at Rs. 5 each is sanctioned, but the Government consider that a further temporary establishment of 9 sweepers costing Rs. 45—12—0 per mensem is unnecessary and the provision made therefor will be struck out. The provision of Rs. 72 made for extra wages to 12 sweepers for working on Sundays will be retained, but the President should endeavour to avoid the expenditure. Surely with 212 sweepers the President should be able to arrange for 12 of them to work by turns on Sundays without additional wages, which are not allowed in the Cantonment. Under temporary establishment provision is made for a permanent dog-killer at Rs. 6 per mensem. The President is requested to state whether the usual rewards are paid to him in addition to his salary, whether one man is enough to do the work throughout the City and whether it would not be better to assign the work, as is done in Madras, to a number of professional men during the season when dogs are killed instead of employing a hand throughout the year. Pending information the provision made will stand. The total sanctioned estimate under this head subject to the explanation called for is Rs. 14,382.

6	Sweepers ...	...	33	0	0

		Total.....	51	8	0
	Extra wages for 12 Sweepers working on Sunday ...		6	0	0
		Total.....	57	8	0

26. *IV. Conservancy.—(b) Other charges.*—The decrease is due to the omission of the estimate on account of the purchase of carts (for which Rs. 500 were sanctioned in 1892-93) and to the lower rate (Rs. 12) proposed to be allowed for each cart hired during 1893-94 instead of the higher rates sanctioned in 1892-93 on account of the unfavorableness of the season. The estimate is passed.

27. *VII. Lighting.*—The usual provision for a Lighting Inspector is omitted in the present Budget and an increase of Rs. 1,000 is entered to light 84 additional lamps during the year. The provision will be retained. The estimate of Rs. 1,750 made in the Budget of 1892-93 for purchase of lamp-posts and lanterns is repeated in the Budget for 1893-94. The necessity for repeating the estimate should be explained and the information called for in para 15 of Government Proceedings, dated 18th July 1893, No. 778-83—L. F. 272-92, submitted. Meanwhile, the provision will stand.

28. *VIII. Public Works.* (*a*) *Supervision.*—The following items entered in the Budget for 1893-94 account for the increase of Rs. 144 over the estimate sanctioned for 1892-93 :—

		Rs.
(1)	Increase to the pay of the Watchmen at the Lal-Bagh well ...	12
(2)	Do do at Hutchanna's well ...	24
(3)	Allowance to Sub-Overseer for 12 months instead of for 6 months entered in the Budget for 1892-93	60
(4)	Watchman at the Fort Kavanji	48
	Total.....	144

29. *Items* 1 *and* 2.—Having already been sanctioned in the marginally noted Proceedings, the provision made for the same is approved.

1. No. 1909-10—L. F. 272-92, dated 1st January 1893.
2. No. 1991-2—L. F. 11-93, dated 3rd August 1893.

30. *Item* 3.—The increase is due to the provision made in the present Budget for 12 months for the allowance of the Sub-Overseer, while the Budget for 1892-93 provided the charge for 6 months only in accordance with Government Proceedings, dated 13th February 1893, No.13704-5—L. F. 272-92.

31. *Item* 4.—This was struck out from the Budget for 1892-93, and it is not explained why it is entered again in the Budget for 1893-94. Pending explanation, the provision will be struck out.

32. *VIII. Public Works.* (*a*) *Road Watering Establishment.*—The details of the provision are noted hereunder :—

		Rs.
(1)	2 Gardeners for Chattram Hospital	144
(2)	2 do for Fort avenues during rainy season or 6 months at Rs. 6 each ... ... 4 do for the remaining portion of the year or 6 months at Rs. 6	216
	Total.....	360

33. *Item* 1.—Gardeners for the Chattram Hospital were sanctioned for only one year. It is not explained when they were employed and why provision for another whole year has become necessary. The matter should be explained. Meanwhile the provision will be retained.

34. As regards *Item* 2. Government consider that the establishment proposed is too large for the up-keep of avenues within the small area of the Fort and that the work may with advantage be entrusted to the ordinary Public Works and Conservancy establishments, 2 or 3 temporary coolies being employed during the hot weather for watering plants of short growth. The President is requested to ascertain the wishes of the Board in the matter and report the same with his opinion thereon. Pending the receipt of this information, the provision will be allowed to stand.

35. *VIII. Public Works.* (*b*) *to* (*o*) *Works.*—Exclusive of the provisions made for the foregoing establishments, the allotment of Rs. 33,328 proposed for works to be undertaken during 1893-94 is passed, subject to the submission of Estimates and Notifications of sanction.

36. *IX. Charitable Grants.*—The details under this head are given below:—

Item.	Details			1892-93.	1893-94.

			Total Rs.....	17,813	15,152

37. *IX. Charitable Grants. (a) Dispensaries* (1).—The decrease is due to the omission of the usual provision in the Budget for 1893-94 on account of the pay of the Hospital Assistant in charge of the Market Dispensary and of the cost of Europe Medicines, which the President proposes to transfer to Provincial, as such charges are debited to that head in regard to all Local Fund Dispensaries. Pending the issue of final orders on a separate reference submitted by the President in regard to the proposed transfer, the usual provision will be entered in the Budget on account of Europe Medicines and the pay of the Hospital Assistant as recently increased under Proceedings, dated 15th April 1893, No. 17023-5—L. F. 350-92.

38. *IX. Charitable Grants. (a) Dispensaries* (3).—A servant on Rs. 4 per mensem is proposed to be allowed to the Itinerant Medical Officer. Pending the receipt of the information called for in Government Proceedings, dated 1st August 1893, No. 1911—L. F. 272-92, this will be struck out. The estimate will stand at Rs. 650, which shows a decrease of Rs. 95 from last year's estimate owing to the removal of the Native Pandit from 1st March 1893.

39. *IX. (b) Hospitals, Chattram Hospital.*—The Budget makes no provision for the pay of the Hospital Assistant apparently on the ground that the pay of Hospital Assistants in Local Fund Dispensaries in the Province is met from Provincial Funds. The Government having in their Proceedings, dated 29th August 1892, No 3177-89—L. F. 91-92 directed that the cost including the pay of the Hospital Assistant should be borne by the Municipality and Local Funds General in the proportion of one-third and two-thirds, the necessary provision for the Hospital Assistant's pay will also be made in the Budget. The Government observe that the pay of the Hospital Assistant employed in the Market Dispensary is also borne by the Municipality entirely. If the President considers that the pay of the Hospital Assistants in these two Dispensaries should be debited to Provincial, he should make a separate reference giving his reasons. A sum of Rs. 487* was sanctioned for 1891-92 on account of initial cost of the Chattram Hospital. A provision of Rs. 237 is again made on that account in the Budget for 1893-94, the necessity for the same not being explained. Another sum of Rs. 600 is also entered on account of medicines, bedding, &c. The President is request-

ed to explain whether the sum sanctioned for 1891-92 for initial cost was actually spent or not, and if spent, why provision is again made. Meanwhile, the estimate will stand.

40. *IX. (d) Maternity.*—The following omissions made in the Budget for 1893-94 account for the decrease under this head :—

		Rs.
(1)	Gardener for 1 month ...	7
(2)	Do	3
(3)	Do additional female servant ...	6
(4)	Europe medicines	250
		266

41. *Item* 4.—The Board propose to transfer the cost of Europe medicines to Provincial, and make no provision whatever on that account in the present Budget. In lieu thereof the provision of Rs. 638 on account of "Extra diet charges" and "Bedding and Clothing," which were specially sanctioned for one year in 1892-93, is repeated in the present Budget. In regard to the proposal to debit to Provincial the cost of Europe medicines, the President is requested to submit a separate reference and to explain the necessity for the charge of Rs. 638 referred to. Pending such reference and explanation, the usual provision will be entered in the Budget for Europe medicines, but the item of Rs. 638 will be struck out. Government observe that the Maternity and its management was made over to the control of the Municipal Board in lieu of the Police charges. At the time of the transfer its maintenance cost was Rs. 1,800 only but it now costs over Rs. 4,000 in spite of the fact that the Municipality has been relieved of the pay of its supervising Medical officer. Considering the paucity of funds for roads and drainage, the Municipality should see what retrenchments can be effected in regard to the Maternity and submit their proposals for the approval of Government.

42. *(e) Langarkhana.*—The services of the Supervisor and Sweeper are proposed to be done away with, the distribution of grain doles in the Langarkhana being substituted by money doles in the Municipal office. Accordingly no provision has been made in the Budget on account of the pay of the two servants referred to, the allotment for doles being raised from Rs. 1,686 to Rs. 2,686 which includes the special grant of Rs. 1,000 sanctioned for 1892-93, on account of the unfavorableness of the season and the consequent rise in the price of grain. It is not explained, why the special provision of Rs. 1,000 is repeated in the Budget for 1893-94. Meanwhile, the increased provision will be struck out and the usual allotment of Rs. 1,800 entered in the Budget for charges connected with Langarkhana. The above provision includes the pay of a Goller in regard to retention of whose services, the President has been requested to submit further information, *Vide* Government Proceedings, dated 3rd October 1893, No. 6401—L. F. 12-93.

43. *Chattram.*—In view to transfer the management of the Chattram to the Muzarayi Department, the President provides under this head Rs. 764 only being the net amount expended annually from Municipal Funds, exclusive of Rs. 800 contributed from Muzarayi funds. As the Government declined to sanction the transfer of the management of the institution to the Muzarayi Department in Proceedings, dated 18th July 1893, No. 795—L. F. 431-92, the provision of Rs. 764 made in the Budget to meet the net expenditure hitherto incurred from Municipal funds will be raised by Rs. 800 to meet the total cost of the institution. The details for the provision of Rs. 1,564 should be furnished at an early date.

44. *Pilgrims Chattram.*—The provision of Rs. 500 proposed on account of the maintenance of this Chattram will be retained subject to further orders on the receipt of the information called for in para 22 of Government Proceedings, dated 18th July 1893, No. 778-83—L. F. 272-92.

45. *IX. Charitable Grants. (g) Orphanage.*—The diminished provision, which is stated to be sufficient to meet the actual requirements, is sanctioned.

46. *IX. Charitable Grants. (h) Ward for Incurables.*—The proposed estimate under this head will be tentatively retained, subject to the early submission of proposals for the reduction of charges, called for in para 24 of Government Proceedings, dated 18th July 1893, No. 778-83—L. F. 272-92.

47. The total provision under IX. Charitable Grants as above sanctioned amounts to Rs. 16,578.

48. *X. Education.*—The following items are provided under this head:—

Items.	Details.	1892-93.	1893-94.
1	Grant-in-aid towards Sanskrit College	3,660	3,660
2	City Municipal Anglo-Vernacular School	5,518	5,548
3	Kannada Boys'School	2,065	2,130
4	Grants-in-aid to Schools	192	192
5	Oriental and Mixed Library	300	300
	Total Rs.....	11,735	11,830

49. *Item* 2. *City Municipal School.*—The sanctioned provision for 1892-93 under this head is only Rs. 5,206 and not Rs. 5,518 as erroneously entered in the Budget. Including the sum of Rs. 30 proposed to be added on account of the maintenance of a water-shed during hot season, the correct estimate is Rs. 5,236 (and not Rs. 5,548 as erroneously entered) which includes Rs. 215 specially sanctioned in 1892-93 on account of furniture purchased for the school. As the necessity for the repetition of this item of Rs. 215 has not been explained, the sume will be struck out, but the new provision for water-shed, which is stated to be necessary is approved.

50. *Item* 3. *Kannada Boys' School.*—The estimates sanctioned under "furniture" for 1892-93 was Rs. 28 and not Rs. 16 as entered in the Budget. The estimate of Rs. 16 for 1893-94 will not however be disturbed. A new provision of Rs. 372 is made on account of increases to deserving Masters, &c., which the Board sanctioned, but which were disallowed by Government. The President is requested to explain why the disallowed provision has been re-inserted, and to furnish the information called for in Government Proceedings, dated 18th July 1893, No. 778-83—L. F. 272-92. Pending explanation the provision will be struck out.

51. The total sanctioned estimate under "X. Education" will thus amount to Rs. 10,931.

52. *XI. Miscellaneous.*—The provision made under this head is for the marginally noted purposes.

	1892-93.	1893-94.
(*b*) Refund of excess collections	50	50
(*c*) Cattle-pounds ...	450	600
(*d*) Rewards to dog and snake killers ...	250	250
(*e*) Gardens	882	480
(*f*) Pension charges ...	600	100
(*g*) Fairs and festivals ...	550	250
(*h*) Other items ...	248	850
	3,030	2,580

53. *XI.* (*c*) *Cattle pounds.*—The increase under this head is due to the provision made in the present Budget for the whole year on account of the recently established pound at the Alsur Gate, for which a provision for six months only was sanctioned in 1892-93 and on account of the pay of the Watchman for the Pound near the Market sanctioned in Government Proceedings, dated 15th May 1893, No. 1899-4-5—L. F. 272-92, the provision for "Rewards to impounders and fodder charges" being reduced from Rs. 130 to 132. As under Government Proceedings, dated 4th February 1893, No. 13279-89—L. F. 139-92, no rewards are payable to seizers of cattle, the Deputy Commissioner is requested to state what portion of the sum of Rs. 132 is intended for payment of rewards in view to the necessary reduction being made under this head. Pending explanation, the estimate will not be disturbed.

54. *XI.* (*i*) *Gardens.*—In the present Budget the marginally noted 2 items have been omitted and in lieu thereof a sum of Rs. 118 is entered newly to meet the salaries of temporary hands to be entertained during hot weather and a further sum of Rs. 60 for a Gardener to be employed at the Flower Garden near Alsur Gate. The usual provision of Rs. 240 on account of the Native Music will be inserted, pending the submission of the report called for in Official Memorandum, dated 1st July 1893, No. 12—L. F. 272-92. But Government doubt the expediency of the proposed employment of a gardener on a pay of Rs. 5 per mensem for the Flower Garden near the Cenotoph. The garden measures only about 400 square feet, and the exclusive services of a Gardener for this small garden seems to be unnecessary. The President is requested to explain, how the garden was looked after hitherto, and whether the watchman at Hutchanna Bhavi whose pay has been now raised from Rs. 3 to 5 cannot be made to look after this garden also. Meanwhile, the provision made on this account will be struck out. The lump sum estimate of Rs. 118 on account of extra Gardeners will be retained.

	Rs.
(1) Native Music ...	... 240
(2) Four Garden Kalihats	... 240
	480

55. *XI.* (*f*) *Pension charges.*—In accordance with the Resolution of the Municipal Board, dated 28th February 1893, the provision of Rs. 600 hitherto made under Government Proceedings, dated 20th February 1885, Camp No. 109, is proposed to be reduced to Rs. 100 which is stated, to be sufficient for the actual requirements. The proposal is sanctioned.

56. *XI.* (*g*) *Fairs and festivals.*—The deminished provision of Rs. 250 made in the present Budget for the "City Market Show" will be sanctioned.

57. *XI. Miscellaneous.* (*h*) *Other items.*—The marginally noted increases are included under this head. The necessity for the same not being explained, the provision will be reduced by Rs. 300.

Letter dated 22nd July 1893, No. 55—44, from the Deputy Commissioner of the Chitaldroog District, submitting a copy of the Senior Surgeon's letter to his address, dated 14th idem, No. 182, and enquiring whether it is the intention of Government that each Taluk and Sub-Taluk should have a midwife, and if so, to sanction four more scholarships for the District.

No. 4446-8—L. F. 141-92, DATED, BANGALORE, 9TH SEPTEMBER 1893.

ORDER THEREON.—It is the wish of Government that there should be one midwife at least for each Taluk. To meet the charge, the District Fund Budget Estimates of Civil charges for 1893-94 of the Chitaldroog Local Fund Circle will be raised by Rs. 480.

Pending the receipt of the information, the estimate will stand.

Letter No. 3181, dated 19th July 1893, from the Chief Engineer of Mysore.

I have the honor to forward the enclosed statement showing the lengths of Provincial and District Funds roads lying within the District and Taluk Head-quarters Municipalities and the amount payable to them, &c., as requested in your No. 15102—96-92 of 14th March 1893.

II. I would suggest that in all cases in which the total amount at the disposal of any Municipality, under each Fund, is less than Rs. 100 the portions of roads concerned should be retained by the Public Works Department, as the Municipality will not be able to maintain them properly with such small grants. Letter No. 345—L. F., dated 22nd August 1893, from the Comptroller to the Government of Mysore.

As desired in Government Proceedings No. 2827—L. F. 288-92, dated 12th August 1893, I have the honor to submit for approval a draft circular prescribing rules to be observed in respect of advances and expenditure on account of District Fund Works.

Letter, dated 22nd August 1893, from the Comptroller to the Deputy Commissioners of Districts and Sub-Division Officer, French Rocks.

The Comptroller has the honor to observe that in making payments for District Fund Works executed by Revenue Officers the Amildars enter such payments in their accounts as expenditure on Public Works, while in the Treasury accounts the amounts of such payments appear as simple advances.

2. This practice leads to confusion and discrepancies between the accounts furnished to Government by the Revenue Department and those furnished by the District Treasuries through this Office.

3. The following procedure is therefore prescribed for the guidance of all Treasuries and all the Revenue Officers having to carry out District Fund Works :—

(1.) All Amildars and other Officers entrusted with direct execution of District Fund Works should be supplied with a certain fixed amount as an Imprest or a Permanent advance, which should be charged off once for all as such under District Funds.

(2.) Payments for works done should be made from the Imprest as often as is necessary and once in a month or oftener, if necessary, a bill in the accompanying form for each individual work supported by necessary vouchers should be forwarded to the Deputy Commissioner who after the usual check will order payment thereon either at District or Taluk Treasury in recoupment of the Imprest.

(3.) Recoupments of Imprests should invariably be made within the month to which the payments refer and until such recoupments are sanctioned by the Deputy Commissioner and made by the District or Taluk Treasury the Amildars and other Officers holding the Imprest should not bring these payments on to their accounts.

4. The same procedure should be followed in the case of works from Local Funds General.

5. On the completion of a particular work a final bill for that work should be furnished embodying all payments made therefor up to date of completion and deducting therefrom payments previously made. Until this final bill is paid the accounts for this work cannot be closed.

PART I

GENERAL.

Proceedings of the Government of His Highness the Maharaja of Mysore, (General),—dated 2nd September 1893.

No. 4204—G. 1028, DATED, BANGALORE, 2ND SEPTEMBER 1893.

ORDER.—It does not appear that any systematic attempt has been made to promote the extension of Viticulture in Mysore. Grapes are, to a certain extent, grown for local consumption in Mysore. A few varieties of the vine have been cultivated in the Palace Gardens at Bangalore, and the measure of success achieved therein is very encouraging. His Highness' Government consider that the extension of grape cultivation both at Bangalore and in the more sheltered parts of the Province and any impetus given to this branch of industry would be attended with very beneficial results.

2. The subject is one which demands the attention of the Inspector General of Forests who is in charge of Experimental cultivation; and he is requested to favor the Government with his views and formulate his proposals as to—

(1) What localities the experiments should be made in,

(2) What varieties of the vine should be obtained, and from where, and

(3) What facilities and concessions are recommended to enlist private enterprise on behalf of this desirable branch of industry.

Chief Secretary.

READ:—

The following letter No. 1274—31, dated 20th March 1893. from the Chief Judge of Mysore:—

With the concurrence of my colleagues, I have the honor to make the following representation for the favorable consideration and orders of Government.

2. In Section 222 (*a*) of the Mysore Service Regulations, it is stated that an Officer on leave on medical certificate is entitled to half his "average salary" for the first fifteen months and for the rest of his leave a quarter of his "average salary," and that an Officer on furlough or on leave on private affairs is entitled to half his "average salary." but Section 223 limits half "average salary" to a maximum of Rs. 500 a month and one quarter "average salary" to a maximum of Rs. 400 a month.

3. In British India, the leave allowances sanctioned for Native Civil Servants are reckoned on an "average salary," the maximum of which is fixed at Rs. 1,100. so that half "average salary" and one quarter "average salary" are reckoned on the said maximum.

4. In the case of the Judges of the Chartered High Courts in India and Judges of the Chief Court of Panjab, the leave allowances are still more liberal. It would, indeed, be hard to apply Section 222 (*a*) of the Mysore Service Regulations to Judges of the Chief Court, as the maximum half average is fixed at the very low rate of Rs. 500, which, in the case of a Chief Judge, would be only one-fourth and in the case of the Judges one-third of their pay. I do not think it was intended to apply such a low rate to Officers drawing salaries exceeding Rs. 1,200 a month, and I beg, therefore, to suggest that the maximum fixed by the rule may either be increased or the rule itself altered, so as to admit of the *half* "average salary" or *one quarter* "average salary" being not less than half or one quarter of the "average salary" for the month calculated for so much of the three years immediately preceding the day on which the Officer proceeds on leave following the definition of "average salary" given in Section 12 of the Mysore Service Regulations.

(2) Also the following letter No. 5481, dated 26th April 1893, from the Comptroller in Mysore :—

I have the honor to acknowledge receipt of your Memo No. 16933—G. 4198, dated 14th April 1893, forwarding for my remarks a letter No. 1274—34, dated 20th March 1893, from the Chief Judge of Mysore anent the alteration of Section 222 (*a*) of the Mysore Service Regulations. In reply, I beg to state that, that article has been based on the rules sanctioned in British India for Uncovenanted Servants. If the Government be pleased to place all the Officers noted in the Government Proceedings Camp No. 407—22, dated 1st November 1891, as also the other Government Officers enumerated below :—

(1) Chief Judge of the Chief Court,

(2) 2nd Judge of the Chief Court,

(3) 3rd Judge of the Chief Court,

(4) Inspector General of Forests,

(5) Inspector General of Police,

(6) Excise Commissioner,

on the same footing as that of the Statutory Civilians, the maximum average salary may be raised to Rs. 1,400 *vide* Article 627, Section 1, British India Civil Service Regulations. the number of Officers that will be benefited by this concession will be 10.

2. The analogy of Judges of British Courts is not favorable as the proportion is only $\frac{3}{5}$ths of Rs. 3,750, *i. e.*, Rs. 833—5—4 a month for the whole period of leave.

3. The Memo under reply is herewith returned.

No. 4342-46—G. 1047, DATED, BANGALORE, 3RD SEPTEMBER 1893.

ORDER THEREON.—The Leave and Pension Rules require revision. There should be one set of rules for all Officers above the rank of an Assistant Commissioner, and another set for the others. The following Officers are requested to form themselves into a Committee and submit their proposals for the consideration of Government, as early as practicable :—

1.	Mr. L. Ricketts, Excise Commissioner and Inspector General of Forests.	President.
2.	Mr. V. P. Madhava Rao, Inspector General of Police.	Members.

(2). Also the Chief Engineer's note, dated 4th September 1893.

No. 4568-71—G. 1074, DATED, BANGALORE, 9TH SEPTEMBER 1893.

ORDER THEREON.—The Budget submitted is incomplete inasmuch as part II, relating to Minor Works in the Municipalities, has not been forwarded with it. In part I of the Budget 31 works are entered with a provision of Rs. 2 lakhs for this year, but the projects themselves (with the exception of 2 works under progress for which a sum of Rs. 4,500 is provided) are still under preparation, and the Chief Engineer considers that it would not be possible to submit the numerous estimates under preparation for sanction in time to allow of the Budget allotments being worked out. Some of the works entered in part I, *e. g.* sanitary improvements at Kelagote, Holalkere, Haribar and Challakere are such as might be transferred to part II, and as the projects for the water-supply and other improvements of the several Municipal towns mentioned in the Budget have to be considered and approved by the respective Municipalities, it would be premature to provide funds for them without consulting the Municipal Boards. The Government are unable to pass orders on the Budget Estimate as at present framed. It should therefore be revised so as to embrace as far as possible works which are likely to be undertaken in the course of the current official year.

2. As stated in para 7 of Proceedings of the Government, Public Works Department, No. 1925-29—320-24, dated 6th May 1893, there will be a grant of one lakh of rupees for sanitary works to be carried out during this year, one half of which will be a grant-in-aid and the other half a recoverable loan to the Municipalities concerned; and the expenditure should accordingly be limited to that amount, except as regards works for which special grants are sanctioned.

3. Separate orders will be passed with regard to the special grant of $1\frac{1}{2}$ lakhs required for the Mysore Water-supply Project.

ORDER.—It having been brought to the notice of Government that some District Officers, while present at Head Quarters, do not attend Office at regular hours for hearing Petitioners in person, the attention of Deputy Commissioners and Sub-Division Officers is drawn to the instructions conveyed in the annexed copy of para 1 of order No. 4802-9—137, dated 8th September 1881:—

"It is of great importance that a regular system should be observed by Deputy Commissioners and Officers in charge of Sub-Divisions in respect of hearing petitions in Revenue and Miscellaneous matters. The District Officers, it is believed, would generally desire to be accessible to petitioners at all times in order that they may keep themselves informed of what is passing in their Districts. The Dewan does not wish that there should be any alteration in this respect, but he

considers that in the interests of the people it is necessary that one or two days in the week should be specially set apart for hearing petitioners in person, that at the appointed hours on such days the petitioners should be formally heard, and that the Deputy Commissioners should personally explain to the petitioners the orders passed on their complaints, besides furnishing them with endorsements in writing clearly setting forth the grounds of the orders passed."

Letter No. 2750—307-93, dated the 11th August 1893, from the First Assistant to the Resident in Mysore to the Dewan of Mysore.

I am directed to forward, for the information of the Darbar, a copy of a circular letter* from the Government of India in the Revenue and Agricultural Department, requesting all Local Governments and Administrations to supply the Meteorological Reporter to the Government of India with information regarding hail-storms in India.

* No. 33—30, dated the 17th June 1893.

2. Should any reports or information bearing on the subject of hail-storms in Mysore become hereafter from time to time available, the Resident would be glad to have the facts furnished to him for communication to the Government of India.

From SIR E. C. BUCK, KT., C. S. I., Secretary to the Government of India, No. 33—30, dated Simla, the 17th June 1893.

There is at present no complete information in the Office of the Meteorological Reporter to the Government of India as to the occurrence during past years, of hail-storms in India, the course which they have taken and their comparative severity, and in accordance with a request received from that officer, the Government of India would be glad if the information required could be provided from such local records as are available by all Provincial Governments.

2. The reports should relate only to the year 1883 and succeeding years; should be communicated direct to the Meteorological Reporter; and should be in the following form:—

Date of hail-storm—District or other area in which it occurred.	Any particulars, if available, worthy of note, such as exceptional size of hail-stones, duration of storm whether accompanied by exceptionally severe thunder, &c.

The course and area covered by each hail-storm must, as far as this is possible, be indicated, by colours in a separate map, *i.e.*, there will be a separate map for each hail-storm. The maps which should be submitted are the skeleton provincial maps supplied by the Surveyor General, but the map in which the course of each storm is initially traced or coloured may of course be a pargana or district map, or any other map which is considered most suitable by the provincial authorities.

The colours used should be three,—black for very severe, dark brown for moderately severe, and light brown for not severe, storms. In cases in which the same hail-storm was severe in some places, and less so in others, more than one shade of colour will be found necessary in the same map.

3. It is hoped that the cost entailed by this requisition can be met from Provincial resources, but, if necessary, a sufficient grant will be provided for the payment of a mappist or other establishment needed for the purposes of this requisition, provided that the sanction of the Government of India is procured before the establishment is entertained.

4. In conclusion, I am to ask that each map and accompanying report as completed may be forwarded direct to the Meteorological Reporter, and that, on the occurrence of any hail-storm in future, a similar report with map may be forwarded to the Government of India.

"I have also to submit that for the encouragement of those who pass the Lower Secondary Examination in the Vernacular, strict orders may be issued to Deputy Commissioners and Heads of *all* Departments and Officers employing Vernacular Gumastas, to appoint none but passed men in places of Vernacular Gumastas carrying Rs. 7 or more a month as pay. There is an order of 1883 to this effect, but I am sorry to observe that it is not acted upon by most Amildars and Deputy Commissioners. At present, the only Department which employs largely men who have passed the Vernacular Lower Secondary Examination, is the Education Department. I earnestly request that strict orders may be issued to employ only passed men as Vernacular Gumastas hereafter."

The following copy of letter No. 27 B., dated 23rd August 1893, from Edgar Thurston, Esq., *Officiating Reporter on Economic Products to the Government of India, to the* Resident in Mysore.

As desired by you, I have had an interview with Mr. Cameron on the subject of Viticulture in the Mysore Province.

2. As I understand, very little has been done in the direction of Viticulture in Mysore according to approved European methods, with the exception of the establishment of a small Vine yard in the Bangalore Palace Gardens, which is now yielding a profitable annual out-turn.

3. It is known that a few indigenous varieties of Vine, grown in villages, back-yards, &c., where they receive no special attention, are hardly enough, though the fruit is inferior both in size and quality, as might be expected in the absence of proper treatment.

4. These facts would seem to indicate that, under a suitable system of cultivation, there would be practically no difficulty in raising fairly good grapes even at Bangalore, which is on the highest and most exposed part of the Mysore Maidan.

5. It could not, I think, be expected that profitable results could be obtained, unless the cultivation was carried out under the supervision of an expert, with previous experience either in Italy or France, of Viticulture with a view to wine-production.

6. The Kashmir Darbar has in its service two Italian experts, and would no doubt give the Mysore Darbar the benefit of its experience in Viticulture, which has for several years been carried out with more or less success. From the Kashmir grapes two kinds of wine (red and white) are, I believe, now manufactured.

7. It would be advisable, as a preliminary measure, to introduce new vine stock, either from Europe or America or possibly from Kashmir. It is unnecessary for me to go into details on this subject, as I am leaving Official papers bearing thereon with Mr. Cameron.

READ THE FOLLOWING PAPER :—

Rules regarding the decipherment and publication of Indian inscriptions on stone and copper and regarding their custody.

I. The discovery of any inscription should at once be reported to the Archæological Officer of the Province in which it is found, or, if there is no Provincial Archæological Officer, to Dr. E. Hultzsch, Government Epigraphist, Madras.

Full particulars should be given as to the disposal of the inscription pending further instructions; and, if it is not the property of Government or cannot be placed in the custody of Government officers, what is being done or is required to be done to secure the original or an impression of it.

II. The Archæological Officer on receiving intelligence as in rule I should report the find and its character immediately to Dr. Hultzsch at Madras, suggesting the best arrangement for its disposal and decipherment, whether by himself, by reference to a European scholar, or in any other way and forwarding preliminary copies, if possible.

III. It will be open to Dr. Hultzsch, on receiving the report referred to in rule II, to require that the inscription be disposed of in such a way as he thinks fit, but preference will be given, in the absence of good reason to the contrary, to the epigraphist of the Province in which the inscription has been discovered, should he be anxious to undertake the decipherment himself.

IV. If Dr. Hultzsch desires that other scholars should be consulted, or if the local epigraphist, after being permitted to arrange for the decipherment of the inscription himself, desires to consult other scholars, there is no objection to this being done; but, as a rule, scholars resident in India should be consulted before applying to scholars in Europe.

V. In the absence of special orders, all inscriptions will be published under Dr. Hultzsch's supervision in the official supplement to the *Indian Antiquary*, but manuscript copies, impressions, squeezes, etc., may be submitted, prior to publication, to scholars in Europe for information as well as for advice or decipherment under rule IV. It must, however, be made clear, in such cases, that the inscriptions are not to be published *in extenso* prior to their appearance in the Supplement to the *Indian Antiquary*. There will be no objection, however, to brief announcements of interesting discoveries being made and brief preliminary notices of their character.

VI. Whether an inscription is to be published by scholars resident in India or in Europe, the local Archæological Officer will forward to Dr. Hultzsch two good ink-impressions in the case of each stone inscription, and send the original by railway parcel in the case of copper inscriptions. This rule is framed in order to enable the Editor of the Supplement to check the transcripts contributed by authors of papers, and to select those inscriptions the texts of which deserve to be accompanied by *fac simile* plates. In the case of stone inscriptions the *fac simile* plates will be prepared from the impressions received from the local Archæological Officer, while in the case of copper inscriptions impressions for reproduction will be taken by Dr. Hultzsch himself, and the originals will be returned to the sender within a few days after receipt.

VII. Care should be taken to retain ultimately, for deposit in some selected museum, the originals (provided they are sufficiently portable and otherwise suitable for such storage,) of any inscriptions that may belong to or be acquired by the Government.

The museum selected will ordinarily be that of the province in which the inscription was discovered. Exception may occur to this rule when the storage of the inscription elsewhere is found to be advisable for the completion of an already existing collection, or for other special reasons.

READ :—

The following D. O. letter, dated 31st July 1893, from the Meteorological Reporter to the Government of Mysore to the Chief Secretary to the Dewan of Mysore.

In anticipation of a more detailed report of the Meteorological work done during the past year, I have the honor to inform the Government that during my furlough to Great Britain, I visited the Meteorological Observatories at *Edinburgh*, *Greenwich* and *Kew* gathering as much information as possible from an inspection of the Instruments and methods of observation in use at these centres. All the instruments originally proposed by me have been specially made to order by Mr. J. J. Hicks of London, under my personal instructions and have been paid for before I left London through Messrs. Coutts and Co. Vouchers and details of all expenditure will be sent in after receipt of the Instruments in Bangalore. They should be now on their way to India, and may be expected shortly. I am only sorry to find on my arrival here that more progress has not been made with the Observatory. The housing of the instrument cases will be very troublesome till the completion of the Observatory.

2. The finish and substantial character of the workmanship bestowed on the instruments by Mr. Hicks are all that could be desired : and they should be a credit to the Mysore State once all are in working order.

3. The last few days of my leave were spent in London inspecting every item ordered : and in seeing details of the construction of the Instruments in the maker's Workshops in London.

4. During my furlough, I also received from Bangalore the weekly abstract of daily observations, I posted these in a book which I had printed here for the purpose and I made the reductions of the mass of observations from 1st April 1892 to 31st March 1893 nearly complete. The observations from the three other Observatories of Hassan, Mysore and Chitaldroog, I was unable to post up, as they began work so late. But I have books all ready for this work being done here.

5. The following are the dates from which Observations were regularly begun at the various stations :—

Bangalore	...	...	...	1st April 1892.
Chitaldroog	...	..	...	1st August 1892.
Hassan	...	..	...	20th November 1892.
Mysore	...	...	...	10th May 1893.

I would purpose that all Observations be tabulated, reduced, summarised and published in one volume yearly with a Report for the calendar year January—December ; but that in the first instance, the summarised results be published from the date of opening of each Observatory to the 31st December 1893, so that observations for the full calendar year will be available only for the three stations Bangalore, Chitaldroog and Hassan. During the year a large number of Rain gauge Inspection Reports have been sent in and tabulated according to a scheme drawn up by me. The results of these Inspections I shall summarise shortly and send in by a separate special Report. Meantime, I may say that I fear the general result of these Inspections will be to show that there has been great laxity in the past with regard to rain measurement, and that a uniform gauge must be introduced through the State. I mean also to have Rain Record books printed, with simples rules for observations in English and Vernacular, as also weekly forms to be filled up from the Record Books and sent in to the Head Meteorological Office here. The whole system wants to be reorganized and put on a simple but more satisfactory foundation than it has been. For all this work, it is absolutely necessary that I have a Clerk whose entire time may be given to Meteorological work. There could not be a better man than Mr. B. N. Garudachar, the Central College Clerk, whose attention to duty, neatness and accuracy are all that I could desire. During my absence in Europe, he has done a vast deal of extra clerical work in a most satis-

factory manner; such as tabulating all the Rain gauge Inspection Reports—which the other Assistant Observers have not had to do. He has done it all most systematically and without a word of complaint and he has had only the same allowance Rs. 10 per month, as the other Assistant Observers. He has done all this without detriment to his work as Clerk to the Principal of the Central College, for which his pay is Rs. 25.

6. I beg therefore to propose that the Government sanction the appointment of Mr. B. N. Garudachar as *Assistant Observer and Tabulator* in the Head Meteorological Office, Bangalore, on a monthly pay of Rs. 40 at least to start with.

7. I would propose to use one of the small rooms of the newly added College buildings as a Meteorological Office till the Observatory is ready. If Government will kindly consider this matter as *urgent*, and pass orders sanctioning my proposal, I shall be able to overtake the arrears of tabulation, reduction, &c., of Observations that are accumulating weekly.

8. In conclusion, I have the honor to state that the working up of our Mysore Meteorological Observations in the manner I propose will give them a special value to the whole scientific World, apart from the use made of them by the Government of India.

PART I.

DECISIONS OF GOVERNMENT IN REVENUE CASES.

SEPTEMBER 1893.

Appeal No. 97 of 1892-93.

Appellants.	*Vs.*	*Respondent.*
1. Narnappa. 2. Krishnappa by Mr. B. Srinivasaiengar.		Venkatramanappa by Mr. K. T. Narasimhaiengar.

Facts of the Case.—The Appellants seek to recover possession of the office of Shanbhog of Gummagatta in the Pavagada Taluk from the Respondent Venkatramanappa who, being a distant cousin of their father and a sharer in the hak, was appointed as Shanbhog on the resignation of the office by their father in October 1878. The General Assistant Commissioner, who tried the suit filed by Appellants held that the resignation of the office by their father did not affect their rights and directed that their names be registered as Hakdars and their claims given consideration when the office became vacant. Their appeal to the Deputy Commissioner for present possession was rejected on the ground that, in the absence of a rule sanctioning performance of duties by rotation, the Respondent who was a hakdar could not be ousted. It is urged on behalf of the Appellants that no relief has been granted to them, though they have been found by both the Courts below to be Hakdars.

Decision.—The Respondent, who is also an Hakdar, is admittedly in possession and enjoyment of the office since 1878, and Appellants cannot be permitted to oust him. The order of the Deputy Commissioner is affirmed and this second appeal dismissed.

No. 4349—P. F. 33-93, DATED, 1ST SEPTEMBER 1893.

Communicated to the Deputy Commissioner, Tumkur District.

Appeal No. 49 of 1892-93.

Appellant.	*Vs.*	*Respondent.*
Krishnappa.		Channappa, minor by his guardian Bhairegauda.

Facts of the Case.—The Appellant seeks to recover the office of Patel of Dod Hijjaji in the Dodballapur Taluk. He urges that his father Venkatramaiya held the office till 1870, and that, in that year, he (Venkatramaiya) was removed on the ground that a Brahmin was ineligible for the office of Patel, and one Viraiya the adoptive father of Respondent was appointed as Patel.

2. In 1870, there was an enquiry into the claims set up by Venkatramaiya and Viraiya. The latter was given preference on the ground that he was certified by a number of raiyats to be the hakdar and was a non-Brahmin. Two other persons, named Chanviregauda and Huchegauda, then came forward and contended that they were the hakdars but the Deputy Commissioner in his order, dated 30th

January 1872, rejected their claim and confirmed the appointment of Viraiya, as the enquiry made showed that the claimants were supported by Venkatramaiya, whereas the whole body of raiyats were in favor of Viraiya. Chanviregauda petitioned the Deputy Commissioner again in 1874 and appealed to the Superintendent of the Division, but was unsuccessful. Viraiya held the office till his death in 1885, when Puttanna a brother of Appellant came forward and contested the Respondent's right to succeed to the office. The Deputy Commissioner instituted an enquiry as to whether Puttanna's father actually held the office till 1870, and was of opinion that the evidence produced by Puttanna was insufficient. He accordingly directed the appointment of Respondent as Patel on 31st August 1886. Puttanna then appealed to Government and produced copy of a Takid issued to Shekdar in 1863, stating that the duties of the office should, according to Hakdars and mamul, be performed by Venkatramaiya, Government in their order Camp No. 2112, dated 25th November 1887, rejected the appeal on the ground that the office had not been held by the family for the past 25 years and that Respondent's father had been duly appointed 12 years ago. The Appellant instituted this suit in September 1891. It was urged on behalf of Respondent that the Appellant had no right to the office and that the suit was barred. The Assistant Commissioner who tried the suit, held that the suit was in time, and that as hakdar the Appellant was entitled to recover the office, but the Deputy Commissioner on appeal, held that the Takid of 1863 was not sufficient to establish the Appellant's right and dismissed the suit.

Decision.—This is apparently a collusive suit. Appellant's father Venkatramaiya was removed from the office in 1870. He was unsuccessful in his attempts to regain the office. The Appellant's brother next put forward his claim, which was also rejected; and this suit has been brought by Appellant urging the same grounds as those on which the Appellant's father and brother claimed the office, namely, that the hak appertained to their family. The Government agree with the Deputy Commissioner in thinking that Appellant failed to prove that his father possessed the hereditary right to the Pateli in dispute and that, whatever might be the right under which Appellant's father performed the duties prior to 1870, the Respondent and his late father have been in adverse possession and enjoyment of the office since 1870, or for the past 23 years. The Appellant has therefore no right to oust the Respondent and the suit has been properly dismissed. The Deputy Commissioner's decision is affirmed and this appeal dismissed.

No. 4478—P. F. 34-93, DATED, 1ST SEPTEMBER 1893.

Communicated to the Deputy Commissioner, Bangalore District, with proceedings.

Appeal No. 55 of 1892-93.

Appellant.	*Vs.*	*Respondents.*
Chikvenkatadri of Horamavu, Bangalore Taluk, by Mr. K. T. Narasimmaiengar.		1. Peyappa. 2. Chikmannappa by Mr. B. Srinivasaiengar.

Facts of the Case.—The Appellant seeks to recover the office of Patel of Horamavu in the Bangalore Taluk. There was no Patel for that village prior to 1874-75, when, for the first time, the Government appointed one Ramanna, a respectable raiyat of the village, as Patel. He died in January 1880, leaving a son, the 2nd Respondent. The latter having stated that he did not want the office and that it might be conferred on the 1st Respondent, who is Ramanna's brother's daughter's son, the 1st Respondent was appointed as Patel on 23rd February 1880. On the 28th July 1891, the Appellant, who is Ramanna's brother's son's son, filed a suit claiming the office as an undivided member of a joint family entitled to succeed to Ramanna's estate, but the Deputy Commissioner dismissed the suit, holding that the office which had been newly created at the revision of 1874-75, was not hereditary. It is urged in appeal that the office is hereditary.

2. At the hearing it was admitted by the Appellant's advocate that there was no regular Patel for the village prior to 1874, but it was urged that Ramanna was the gauda of the village even before his appointment as Patel in 1874. Exhibits D and E relied on by Appellant show that in 1868 the Taluk authorities instituted an enquiry in view to appoint a Patel; that Ramanna, among others, stated that Government might give the office to any one whom it liked; and that the Shanbhog stated that there was no Patel getting any mirasi, but that Ramanna was one of the principal raiyats in the village possessing competence, viewed as a gauda by the villagers, and honored by them on marriage occasions.

Decision.—The office having been newly created in 1874-75 and having been conferred by Government on 2nd Respondent's late father, the Appellant had no right to question the act of Government. The ground upon which the present suit is based, namely, that the Appellant had a hereditary right to the office, is wholly untenable. This appeal is therefore dismissed.

Appeal No. 88 of 1892-93.

Appellant.	*Vs.*	*Respondents.*
Kadeganda of Sidlahalli, Tiptur Taluk.		1. Siddaiya. 2. Kshetrapalaiya.

Facts of the Case.—The Appellant claims, as his, two pieces of building site out of No. 44 at Sidlahalli in the Tiptur Taluk, which had been entered in the Khanishumari accounts as Government land, and which, by order of the Deputy Commissioner, dated 23rd September 1892, were granted to the Respondents who applied for them, for an upset price at 2 annas per square yard. The proceedings show that the Appellant was present at the sale originally held on the 11th December 1890 on the application of the Respondents and that he, without objecting to the sale, made a bid (though not the highest) for one of the pieces and signed the sale Patti relating to the other piece; that subsequently, at the enquiry instituted by the Amildar on the complaint of Appellant, he, while adducing evidence to show he had possession of the sites, admitted he had no documentary evidence to prove his title to them and offered to pay to Government their value at 1 anna per square yard; and that his brother, who is Patel of the village, submitted an application for the sites, describing them as Government waste.

2. It was urged on behalf of the Appellant that his possession had been proved as stated in the Amildar's order, that he was not present at the sale referred to and did not bid for the land or sign the sale list, that he offered to pay value to avoid annoyance, and that no notice was given him of the proceedings before the Deputy Commissioner. The Respondents urged that they had acquired the rights of Government and that 1st Respondent had already built a house on the land and was living in it. The Appellant admitted at the hearing that there was no other person of his name in the village.

Decision.—The Government observe that Appellant failed to prove his title to the sites in dispute. His own conduct, in having attended the sale and bid for the sites without, then and there, urging his right, if any, stops him from now objecting to the sale. There is no proof as to when or how Appellant acquired the sites. The sale list which is duly attested by the village officials, shows that Appellant was present at the sale. Subsequent to the sale Appellant himself offered to buy

the sites from Government which he would not have done if they belonged to him. Under these circumstances the Government confirm the Deputy Commissioner's order and dismiss this appeal.

No. 4557—P. 404, DATED, 1ST SEPTEMBER 1893.

Communicated to the Deputy Commissioner, Tumkur District.

Appeal No. 74 of 1892-93.

Appellant .. Settigauda, Patel of Siddapur, Gubbi Taluk, Tumkur District.

In October 1892, Petitioner was suspended from office and was ordered to be criminally prosecuted for having cut without permission some Government trees. He was also ordered to pay the value of trees. The appeal is against this order. He does not, however, yet appear to have been prosecuted, and it is premature therefore for the Appellant to appeal to Government. Petitioner must await the result of the Prosecution. Meanwhile the Deputy Commissioner will be directed not to levy the value of trees. The Deputy Commissioner will of course issue fresh orders, on the result of the Criminal Prosecution being known, and the Petitioner may then appeal or not, as he may deem proper.

No. 4851—P. F. 40-93, DATED, 8TH SEPTEMBER 1893.

Communicated to the Deputy Commissioner, Tumkur District.

Appeal No. 72 of 1892-93.

Appellant.	*Vs.*	*Respondent.*
Dodda Ramappa of Hoskotta, Pavagada Taluk, Tumkur District.		Kusamma.

One Govindappa, Appellant's younger brother who had Shanbhogi right of the villages of Jaladu, Siddapura and Gauda Timmanahalli, transferred his rights to the office to the adopted son of Respondent who was his brother's widow. The transfer was approved by the Assistant Commissioner in December 1888, and the name of the adopted son of the Respondent registered. In August 1892, the adopted son of the Respondent died without issue. Both Appellant and Respondent claimed the office and the Deputy Commissioner decided in October 1892 in favor of the Respondent. The appeal is against this order.

2. The Appellant's contention is that the deceased adopted son of the Respondent was not really adopted by her and that the transfer of the office to him by Govindappa who was his (Appellant's) undivided brother, was irregular. Government observe that in the registered document executed by the Appellant on 16th July 1883 he admitted the adoption of the Respondent's late son, and he even requested in 1892 that he might be appointed Gumasta of the deceased adopted son. Under the circumstances, the Government do not consider that the question of the adoption can be now raised. As the last holder of the office was undoubtedly the adopted son of the Respondent, Respondent alone could succeed him. The Deputy Commissioner's order is therefore confirmed.

No. 4852—P. F. 41-93, DATED, 8TH SEPTEMBER 1893.

Communicated to the Deputy Commissioner, Tumkur District.

Appeal No. 36 of 1892-93.

Appellants.	*Vs.*	*Respondent.*
1. Maridi Rangaiya, minor (7 years) by guardian Sanna Rangappa. 2. Chikkaranga, minor (12 years), by guardian Bhimaiya, represented by Mr. Advocate Narasimmaiengar.		Tippaiya.

Appellants brought a suit for the recovery of the office of Patel from the Respondent, but both the Assistant Commissioner and Deputy Commissioner dismissed it as barred by the Law of Limitation. It is proved that the Respondent's family has been in possession of the office from 1843. In appealing against this decision, the Appellants state that the possession of the Respondent was not adverse to their claims.

2. On the case coming for hearing, Appellants failed to show how the possession of the Respondent has not been adverse to their claims. The only argument advanced is that in the account of 1866-67, the office is entered in the name of the cousin of the 1st Appellant and that consequently the Respondent must be held to have been in possession with the permission of the Appellant's family. Government are unable to accept this argument. There are several older accounts which contain the names of the members of the Respondent's family and there is no evidence to show that they held the office on behalf of the Appellants. The appeal will therefore be dismissed.

No. 4853—P. F. 42-93, DATED, 8TH SEPTEMBER 1893.

Communicated to the Deputy Commissioner, Chitaldroog District, with proceedings.

Petition No. 1927 of 1892-93.

Appellant ... Atchanna, Kodigidar, Dimba, Kolar Taluk.

Appellant held a Kodigi Inam which was enfranchised in 1881. Subsequently the Appellant cut some trees on the bund of the Kodigi Tank without the permission of Government and the Deputy Commissioner levied in 1892 a fine of Rs. 10 and recovered Rs. 40 the value of the trees. The appeal is against this.

2. There is evidence that the Appellant always enjoyed the produce of the trees which were apparently planted by his ancestors. But the trees in question have been cut after the Inam was enfranchised and the Appellant relieved of the responsibility of maintaining the tank. When the Representative Assembly brought similar cases to the notice of the Dewan in 1890, it was held that the right to trees on bunds should go to Government with the bunds themselves, and according to this view the decision of the Deputy Commissioner is correct and is hereby confirmed in so far as the levy of the value of trees is concerned. But the fine of Rs. 10 will be remitted as Appellant cut the trees apparently in good faith that the trees belonged to him.

No. 4854—P. F. 264-92, DATED, 8TH SEPTEMBER 1893.

Communicated to the Deputy Commissioner, Kolar District.

Appeal No. 60 of 1892-93.

Appellant .. Calnna Viraiya of Mattighatta, Chiknayakanhalli Taluk, Tumkur District.

In May 1889, a complaint was made to the Amildar that the Appellant encroached upon a pathway belonging to Government and built upon it. The Petitioner was ordered to stop building and a notice was issued accordingly, but the Shekdar reported that owing to the absence of the Petitioner, the notice could not be served, and that he had completed the building which was a thatched verandah. The attendance of the Petitioner was, however, subsequently secured, but he was unable to establish his right to the land built upon and the Deputy Commissioner finally ordered that so much of the verandah as would leave a pathway 4 yards wide should be removed and that for the remaining land, value should be recovered at one anna per square yard. This value (Rs. 9—2—0) was accordingly recovered. But the petitioner has not yet removed the building so as to leave a pathway 12 feet wide, and has appealed against the Deputy Commissioner's order.

2. The Appellant's contention is, that he built upon the land in good faith that it belonged to him, and that the existing pathway which is 4½ feet in some places and 6 feet in others is enough. The Amildar in his arzi, dated 15th April 1891, stated that the existing pathway was enough for all practical purposes, but the Deputy Commissioner took no notice of it and ordered the former order to be carried out.

3. Under these circumstances, the Government resolve to request the Deputy Commissioner to inspect the land in person and to levy the price of the land encroached upon, if he is satisfied that the existing pathway is enough for all practical purposes. If he is not satisfied that it is enough, he may direct his original order to be carried out.

No. 4887—P. F. 43-93, DATED, 8TH SEPTEMBER 1893.

Communicated to the Deputy Commissioner, Tumkur District.

Petition No. 1960 of 1st February 1893.

Appellant.	*Vs.*	*Respondents.*
Siddegauda, Virupasamudra, Pavagada Taluk, Tumkur District.		1. Ramalingegauda. 2. Karegauda. 3. Narasakka.

The 1st Respondent who was Patel resigned his Patel Service Inam lands consisting of the following numbers in 1887-88:—

No.	Acres.	Assessment, Rs. A. P.
32	13—31	8 8 0
95	3—24	1 0 0
97	7— 6	8 8 0
96	11—18	6 0 0
126	3—11	13 0 0
230	11—24	2 8 0
Total.....	50—34	39 8 0

Two of these numbers, *i. e.*, Nos. 230 and 126 have been since, *i. e.*, in 1887-88 and 1889-90, taken up by the Hissedars. Respondents Nos. 2 and 3, and the other 4 were being treated as Government waste. In December 1890, Appellant claimed the lands on the ground that he had possession of them as a sharer, and

that they were resigned without his knowledge. The 1st Respondent admitted Appellant's claim and stated that he had no objection to the lands being made over to him, and that he was also willing to take up the lands on full assessment. The Deputy Commissioner passed an order on 30th March 1891 that the lands be registered in the name of the 1st Respondent. The appeal is against this order.

2. At the hearing, the Appellant and the 1st and 2nd Respondents admitted that prior to the resignation of the lands by the 1st Respondent, all the lands were enjoyed by the Appellant and Respondents according to their respective shares, and since they were resigned, Nos. 126 and 230 are enjoyed by the 2nd and 3rd Respondents and the other numbers were waste, till they were made over to Appellant in 1891. The 1st Respondent has the least right to have them on full assessment as he voluntarily resigned the lands and did not claim them till the Appellant wanted them, and it is not clear why the Deputy Commissioner ordered the lands to be made over to him (1st Respondent) when he himself had no objection to the Appellant having them. Government therefore cancel the order issued by the Deputy Commissioner and direct that the 4 numbers above referred to be given on Patta to the Appellant. The possession of the 2nd and 3rd Respondents, of Nos. 126 and 230, cannot be disturbed.

No. 4888—P. F. 44-93, DATED, 8TH SEPTEMBER 1893.

Communicated to the Deputy Commissioner, Tumkur District.

Appeal No. 141 of 1892-93.

Appellants.	*Vs.*	*Respondent.*
1. Ramachendra Rao. 2. Venkat Rao, brother of No. 1, 32 years old. 3. Shama Rao, son of No. 1, 19 years old of Kolur, Doddaballapur Taluk, Bangalore District, represented by Mr. S. Narayan Rao, Advocate.		Anantagauda.

The suit brought by the Appellant for the Patel office of the village which is now held by the Respondent, was dismissed by the Deputy Commissioner as barred under the Law of Limitation.

2. In 1870, Respondent's father was appointed Patel by the Amildar, the office having been held before that for some time by the Appellants' family and some times by the Respondent's family. A formal sannad of appointment was given to him in 1876. In 1878 he was convicted of having stolen some Batayi produce and he died shortly afterwards. In 1880, the Amildar recommended the Respondent for the office, and the Deputy Commissioner gave it to him. In 1875 and 1882, the Appellant claimed the office by a Miscellaneous Petition, but his claim having been rejected, he brought a regular suit in 1892, which the Deputy Commissioner dismissed as barred by the Law of Limitation. The appeal is against this decision.

3. The Appellant's contention is that neither the Respondent's father nor the Respondent had each 12 year's possession, and that the possession of one wrong doer cannot be added on to that of another wrong doer. But this contention is altogether inadmissible. It has been held and justly so (*vide* Bengal Law Reports, Volume XI page 241) that a person in possession without title means not only the person in original possession but also persons who came in under him

during the twelve years by inheritance, will, or conveyance, and it is clear in this case, that Respondent obtained the office in virtue of being the son of his father. Even if he were unconnected with the last holder, it is doubtful whether the Appellant could sue after being out of possession for 12 years, but in this case there is no doubt whatever that he cannot. The only point which requires consideration is, whether the suit may not be admitted, since the Appellant claimed the office by a Miscellaneous Petition within 12 years. On a careful consideration, the Government are of opinion that it is not politic to admit miscellaneous petitions excepting under extraordinary circumstances, as curing the defect caused by the Law of Limitation, and in this case, the Appellant slept over his rights for 10 years after his last Petition. The appeal is therefore dismissed.

No. 4769—P. F. 38-93, DATED, 9TH SEPTEMBER 1893.

Communicated to the Deputy Commissioner, Bangalore District.

Appeal No. 43 of 1892-93.

Appellant .. Nanjundappa of Benkipur.

Facts of the Case.—The Appellant claims the Pateli of Benkipur in the Shimoga Taluk. He is not a hakdar, but once acted as Gumasta in 1883 during the minority of the hakdar named Husein Sahib, and when the latter was sentenced to imprisonment in May 1887 for the offence of rioting, he was appointed as Patel on probation for a period of five years. The Deputy Commissioner in sanctioning this arrangement ordered on 20th September 1887 that enquiry be made in the meantime if there was any person or family other than the convicted Patel's relations, having claims to the Pateli, and remarked that there was nothing to show who Appellant was and whether he was a man of means and local influence. This order was, however, recalled on the 23rd idem. The Deputy Commissioner intended holding a personal enquiry at the spot but deferred it. The Appellant who had been put in charge of the office continued to hold it as no one else was appointed, till the 20th August 1892, when, on the representation of the dismissed Patel Hussein Sahib, his minor son Abdul Sattar was appointed as Patel and one Mahammad Miya as Gumasta.

2. The Appellant urges that the restoration of the hak to the family of the convicted Patel is wrong, as the late Deputy Commissioner had ordered that the said Patel's family and connections should be debarred from all right to the office.

Decision.—The Appellant has no right to the office. He had been put in temporarily to do duty pending the final orders of the Deputy Commissioner, and his appeal is groundless and accordingly rejected.

No. 5325—P. F. 45-93, DATED, 9TH SEPTEMBER 1893.

Communicated to the Deputy Commissioner, Shimoga, with proceedings.

Appeal No. 54 of 1892-93.

Appellant.	*Vs.*	*Respondents.*
Basaiya, minor by his father Virabasaiya (Plaintiff).		1. Channabasaiya. 2. Mariyappa (Defendants).

Facts of the Case.—The Appellant sued to recover possession of the Pateli offices of Bharangi and Kunteppa in the Sorab Taluk. Formerly there was but

one Patel for both the villages and the office was held by one Marigauda till 1840. The 1st Defendant is Marigauda's eldest son's son and the Plaintiff his second son's grandson. The 2nd Defendant is Marigauda's elder brother's son. Marigauda's first son Channabasaiyagauda (1st Defendant's father) held the office till his death in 1872, and the Plaintiff's father till 1875, when he was convicted of the offence of wrongful confinement. The 1st Defendant who was a minor at his father's death, was then given the Pateli of Kuniteppa, and in 1878 he was put in possession of the Pateli of Bharangi also, which in the interval was being looked after by a Gumasta. At the Pakka Potigi settlement which took place in 1879, the two villages were made into two different Patels' charges, and the 1st Defendant retained the Pateli of Bharangi for himself and got the 2nd Defendant appointed for Kuniteppa. During the progress of the suit the 2nd Defendant, who is an old man without wife or children, agreed to renounce the office in favor of the Plaintiff and the 1st Defendant consented to the transfer. Accordingly the Deputy Commissioner ordered that the Pateli of Kuniteppa be registered in the name of Plaintiff and his claim to the Patelship of Bharangi dismissed. The present appeal is against the rejection of this portion of the Plaintiff's claim.

2. At the hearing the Plaintiff's Advocate prayed that if the Court held that the possession of the 1st Defendant, who had been found by the Courts below to be a hakdar, could not be disturbed, the Plaintiff's right to the office in question might at least be declared. The 1st Defendant stated that Plaintiff's name might be registered as a hakdar to the office of Bharangi provided he himself was registered as a hakdar to the office of Kuniteppa.

Decision.—The 1st Respondent is in possession and enjoyment of the office of Bharangi since 1878 as hakdar. Plaintiff cannot be permitted to oust him and his claim in this respect has been properly rejected. By consent of parties, the Government direct that the names of both Appellant and 1st Respondent be registered as hakdars for both the villages in suit without prejudice to each party being in exclusive possession and enjoyment of only one villages in accordance with the existing arrangement.

Plaintiff—Kuniteppa.
Defendants—Bharangi.

Appellants.	Vs.	*Respondents.*
Rangegauda and others, sons of Chanbasavegauda of Kenkere.		1. Rudregauda, 2. Hutcha Viregauda, 3. Marulaiya, sons of Marulegauda of Kenkere.

Facts of the Case.—The Appellants seek to recover possession of the office of Patel of Kenkere in the Huliyar Sub-Taluk.

2. According to the Register of 1847, Virabhadregauda, the grand-father of Defendants, and Channegauda, the grand-father of Appellants, were both the hakdars, enjoyers and officiators of the Pateli. Virabhadregauda was succeeded by his son Viregauda, and Channegauda by his son Chanbasavegauda, and according to the Register of 1864-65, Viregauda's brother Marulegauda, and Chanbasavegauda were both doing the duties of the office. At the Pakka Potigi settlement in 1877, the said Marulegauda was appointed by Government as the sole Patel of the village and was granted a sanad, dated 16th July 1877. On the 11th September 1877 Marulegauda prayed that as he was sick, his minor son, the 2nd Respondent, might be registered as Patel and one Chanviregauda appointed as Gumasta. On the 15th September 1877, Chanbasavegauda (Appellants's father) presented a peti-

tion protesting against Marulegauda's appointment as Patel and the arrangement proposed by him. Marulegauda and Chanbasavegauda, however, effected an amicable settlement, as the result of which the former presented an application on 16th January 1878 praying that the proposed Gumasta of his son and Chanbasavegauda might both be ordered to do the duties and share the emoluments; but the Deputy Commissioner, by his order dated 26th January 1878, declined to sanction the appointment of two Patels, and called for a report regarding the several hakdars living and their qualifications. During the enquiry, Chanbasavegauda again urged his claims and stated that he was unwilling to act merely as Gumasta, and the Amildar reported that he was competent. But the Deputy Commissioner decided that the claims of the sons of Marulegauda (who had in the meantime died) should not be passed over and accordingly directed that if Chanbasavegauda was not willing to act as Gumasta of Marulegauda's son, the 2nd Respondent, some other Gumasta should be appointed. When this order was communicated to Chanbasavegauda, he changed his mind and gave a deposition on the 10th April 1878 stating that the office might be registered in the name of 2nd Respondent and that he was willing to discharge the duties, till 2nd Respondent became competent to do so. Thereupon, the Deputy Commissioner, by his order dated 15th April 1878, appointed the 2nd Respondent as Patel and Chanbasavegauda as Gumasta. After the death of Chanbasavegauda, one Chikkaregauda was appointed Gumasta in April 1879. The 2nd Respondent has since assumed charge of the office and is now in possession of it.

3. The Appellants filed a suit on the 1st April 1891 praying for an order to permit one of them to hold the office jointly with the 2nd Respondent or to direct the duties being discharged by the two by turns. The Assistant Commissioner decreed that one of the Plaintiffs should be registered as hakdar and that he and 2nd Respondent should perform the duties by turns at intervals of 4 years but the Deputy Commissioner on appeal, while agreeing that both the parties should be regarded as hakdars, held that the order directing the performance of duties by turns was unauthorized and that the present holder, the 2nd Respondent, should not be ousted. The appeal is against this order.

4. At the hearing the Appellant's Advocate relied on Chanbasavegauda's petition of 15th September 1877 and his deposition dated 20th March 1878, urging his own claims, and on Marulegauda's petition dated 16th January 1878, and contended that Chanbasavegauda acted as a joint hakdar, and not, to his knowledge, as Gumasta, that the possession of the 2nd Respondent was not adverse to Plaintiffs, and that as the parties were members of two different families unconnected with each other, this was a fit case in which performance of duty by turns should be ordered.

Decision.—The 2nd Respondent is in actual possession and enjoyment of the office since 1879 and although Plaintiffs are joint hakdars with the Respondents, the Government see no sufficient reason to oust the latter and to disturb the arrangement that has been in force for the past 14 years.

2. The appeal is rejected.

No. 5601—P. F. 47-93, DATED, 9TH SEPTEMBER 1893.

Communicated to the Deputy Commissioner, Tumkur District.

Appeal No. 191 of 1892-93.

Appellant .. Sowmya Kesavaiengar, Shanbhog, Tagare Firka, Belur Taluk.

Facts of the Case.—The Petitioner has appealed against the fine of Rs. 30 imposed on him by the Officiating Deputy Commissioner of Hassan under the following circumstances.

2. On the 12th October 1889 one Channamma applied for 20 acres out of 42 acres 7 guntas of Government waste in Survey No. 1 of Kowri village and deposited Rs. 50 towards the price thereof. About the same time she cultivated 1 acre 12 guntas out of the said extent of Government waste and addressed petitions on 16th January and 14th March 1890 praying for early orders on her application. The unauthorized cultivation was reported by the Shanbhog (Petitioner), whereupon Channamma was fined Rs. 5 on 4th March 1890. Subsequently when the District Surveyor went to sub-divide the waste land, Channamma informed him that the piece she had asked for had formerly been included in her Patta, and gave a Muchalika on 27th April 1890 stating that she was unable to cultivate it, that no sub-division need be made on her account, and that her application might be struck off. About a year after that, *i. e.*, on 10th May 1891, she complained to the Deputy Commissioner against the fine imposed on her and urged that the land said to have been encroached upon was her own, that, while according to her old Pattas, she was entitled to about 22 acres of land, a portion measuring about 7 acres 35 guntas (in Survey Nos. 48 and 1) had been entered in her name at the Survey Settlement (1881-82), and the rest erroneously omitted, and that she was not aware of the omission before. In her deposition, dated 25th November 1891, she explained that at the time she presented the darkhast of 12th October 1889, she was not aware that the land belonged to her, and she offered to pay the assessment thereon from the year of Survey Settlement, but before the Officiating Deputy Commissioner she asserted she had been paying assessment for the entire extent included in her old Pattas. The Officiating Deputy Commissioner disbelieved the latter statement, but considered that a portion of her holding had been omitted from her Khate without her knowledge at the Survey Settlement, and fined the Shanbhog for not having informed her of the omission and brought it to the notice of the Amildar.

3. The Appellant urges that such portion as Channamma wished to retain was entered in her Khate at the settlement and that if there was a mistake, she could have got it corrected within the time allowed by law.

Decision.—The Government observe that the Shanbhog is not to blame. Channamma ought to have known when the Patta was granted to her, what was the quantity of land actually granted to her. Her pretended ignorance of the contents of her own Patta cannot be accepted nor can the Shanbhog be found fault with for not having expressly informed her what was patent on the face of the Patta or Receipt Book issued at the settlement. It is no part of a Shanbhog's duty to tell each Pattadar how much land he is entitled to under the Patta. The order imposing a fine on the Appellant is illegal and is accordingly set aside. The fine, if recovered, will be refunded to him.

Communicated to the Deputy Commissioner, Hassan.

Appeal No. 160 of 1892-93.

Appellant .. Visveswaraiya of Kigga, Koppa Taluk, by Mr. Sabhapati Iyer.

Facts of the Case.—The Appellant, who is the hypothecatee of wet land No. 88 in Migga, Koppa Taluk (measuring 7 acres 28 guntas and assessed at Rs. 22), prays that the sale of that land held for arrears of revenue due by the Khatedar, named Venkappa may be cancelled. He holds a registered deed of hypothecation, dated 17th May 1889, executed by Venkappa's brother Phaniyappa to whose share the land is said to have fallen.

The sale was held on 16th September 1892 after service of the following notices:—

(1) Notice of demand for Rs. 103—12—4 due for lands in Migga. Served personally on Khatedar Venkappa on 18th May 1892.

(2) Declaration of forfeiture affixed to his residence as his son who was present declined to receive it, 24th July 1892.

(3) Proclamation of sale, dated 9th August 1892, affixed at a conspicuous place in the village, the Taluk Cutcherry, the District office and Phaniyappa's house, and proclaimed by beat of tom tom at the village and at the Taluk Head-quarters between the 9th and 14th August 1892.

It was also served on Phaniyappa personally on 18th idem and notified at Sringeri on 31st idem.

Before the sale, the Khatedar paid a portion of the amount due, and failed to pay the balance, Rs. 38—2—1. The land was purchased at the sale by the cultivator thereof for Rs. 72.

On the 26th September 1892, the Amildar reported the sale proceedings for confirmation, but subsequently on representations made to him by the raiyats that the land would fetch a higher price if resold, and offer by Phaniyappa that he would pay the arrears as he had hypothecated the land to Appellant, the Amildar submitted a recommendation to the Deputy Commissioner on the 24th November 1892, that arrears might be recovered from Phaniyappa or Appellant and that if they failed to pay, the land might be resold. At the same time in anticipation of his recommendation being approved, the Amildar sent a notice to the Appellant on 24th November 1892 stating that he might pay the arrears and save the land, and that in default, it would be sold. The Deputy Commissioner however declined to sanction the recommendation and confirmed the sale by his order, dated 3rd December 1892. The purchaser was put in formal possession on 30th idem.

The Appellant relies on the notice issued to him by the Amildar and urges that he was absent from the village, that under the orders of the Chief Commissioner, dated 28th October 1881, 5th May 1882 and 18th August 1882, printed at the pages 28, 29 and 30 of the Revenue Manual of 1886, notice of the sale ought to have been served on him, that the price realized was very inadequate and that a revenue sale could be interfered with on these grounds.

Decision.—The Amildar acted *ultra vires* in calling upon the Appellant to pay up the arrears before the result of his reference to the Deputy Commissioner was known. It may further be remarked that wide publicity was given to the proclamation of sale, and as Appellant failed to protect his interests as mortgagee by paying up the arrears before attachment or sale, he has himself to blame. The Appellant was not entitled to any special notice before sale. It is the Khatedar that is usually served with the notice of demand and the sale has to be proclaimed in the manner prescribed by Sections 171 and 172 of the Revenue Code, which has been done in this case. Under these circumstances the Government decline to interfere with the sale. The appeal is therefore rejected.

Facts of the Case.—The question for consideration is how best the Shanbhogi of the 25 villages of the late Mattodu Firka of the Chitaldroog District may be apportioned among 3 sharers in pursuance of the Judgment of the Deputy Commissioner of Chitaldroog, dated 9th December 1890.

2. The villages are at present arranged and enjoyed as shown in the margin according to the Pakka Potgi settlement. Villages 16, 17 and 18 are in the Hiriyur Taluk and the others in the Hosdurga Sub-Taluk of the Holalkere Taluk.

4. The Deputy Commissioner suggests the following re-arrangement in accordance with the proposal originally made by the Survey Superintendent in his letters Nos. 380 and 669, dated 12th August 1892 and 25th November 1892 respectively :—

I. One group, comprising 9 villages—*viz.*, 1, 2, 3, 4, 7, 12, 13, 14 and 15, with a Potgi allowance of Rs. 46—8—0.

II. Two groups, comprising 6 villages, *viz.* :—

(2)	16, 17 and 18 in Hiriyur Taluk, with a Potgi of	„ 31—12—0

III. One group, comprising 10 villages, *viz.*, 8, 9, 10, 11, 20, 21, 22, 23, 24 and 25, with a Potgi of Rs. 48—12—0.

5. The Deputy Commissioner states that an arrangement by which each can get an exact one-third of the Potgi amount, *viz.*, Rs. 46—1—4, cannot be made, and that the difference between that amount and what each sharer would get if he took any one of the aforesaid three circles is inconsiderable.

6. The parties who were present at the hearing on 24th August 1893, *viz.*, the Plaintiff and the 2nd and 4th Defendants, were informed of the arrangement proposed by the Deputy Commissioner and were allowed time to state if they would agree to it.

7. The Plaintiff asks for the 3rd circle, which comprises the 5 villages of which he is already in possession, 3 villages in the possession of 3rd Defendant and 1 in the possession of the 4th Defendant.

8. The 4th Defendant on behalf of himself and his son, the 2nd Defendant, asks for the 1st circle, which comprises 4 out of the 9 villages of which they are now in possession, and 5 out of the 10 villages in the possession of the 1st and 3rd Defendants.

9. Both the Plaintiff and the 4th Defendant urge that they cannot look after the 2nd circle, which consists of two groups of villages situated in different Taluks, because the Plaintiff is single-handed and the 4th Defendant's son, the 2nd Defendant, is yet a minor.

10. The 1st Defendant represented as a ground for not appearing at the hearing that he was not well. His brother, the 3rd Defendant, Timmaiya is dead. The latter's widow named Sankaramma has submitted a petition praying that her name may be registered for a Firka in lieu of the Hugalkere Firka which her husband held.

Decision.—The Plaintiff and 4th Defendant having agreed, the former to take charge of the groups of villages forming the 3rd circle and the latter to do the duties connected with the villages comprising the 1st circle, the Deputy Commissioner will be requested to arrange for the 1st Defendant, who is *ex-parte*, and the legal representative of the deceased 3rd Defendant, being put in charge of the 2nd circle.

No. 5493—P. F. 62-92, DATED, 15TH SEPTEMBER 1893.

Communicated to the Deputy Commissioner, Chitaldroog.

Appeal No. 65 of 1892-93.

Appellant.	*Vs.*	*Respondents.*
Badige Timmaiya of Bargur, Malur Taluk, represented by Mr. Advocate S. Narasimmaiengar.		1. Badige Ramanna. 2. Tirumanna, represented by Mr. Gopal Rao, 1st Grade Pleader.

Decision.—Appellant and Respondents are brothers who quarrelled amongst themselves and fell into arrear in respect of land No. 25 in Bargur registered in the name of their brother Nallappa. The land was attached and sold by Government in October 1891, and the Appellant purchased it for Rs. 140. The sale was confirmed by the General Assistant Commissioner in February 1892. In August 1892 1st Respondent appealed to the Deputy Commissioner who cancelled the sale in October 1892, on the ground that the sale was held on a general holiday, *i. e.*, Sunday, contrary to Section 173 of the Land Revenue Code. The appeal is against this order.

2. Appellant's contention is that the sale on a Sunday is not a material irregularity to justify the cancellation of the sale, and that the Deputy Commissioner was wrong in having admitted the appeal 5 months after the sale was confirmed.

3. As regards the 1st contention, Government observe that as the object of the prohibition of sales on General Holidays is to prevent loss which may accrue for want of bidders who do not generally attend to business on holidays, the conduct of sales on those days is a material irregularity, and the Deputy Commissioner was right in cancelling the sale. As regards the second contention, the Government note that Deputy Commissioners are competent to admit appeals after the time allowed by Law for good and sufficient reasons, and that no appeal lies against their order. *Vide* Section 212 of the Land Revenue Code.

4. The appeal will therefore be dismissed.

Hariharasastri of Nagalapur, Yedahalli Sub-Taluk, Kadur District.		1. Subbanna. 2. Rayappa. 3. Sankarasastri, represented by 1st Grade Pleader, Mr. Gopal Rao.

Decision.—Inam land No. 5, and Kandayam land No. 72 stood in the Registers in the name of the Appellant. The Respondents claimed registry of these numbers in their own names and the Deputy Commissioner ordered the registry accordingly in January 1893 on the ground that they had more than 12 years' possession of the land. The appeal is against this order.

2. Appellant has a Cadjan note written by his late father which shows that the lands under notice were only mortgaged to the Respondents. 1st and 2nd Respondents produced a stamped deed of sale dated *Subhakrut* 1842-43 which shows that No. 72 was sold to them and a *Saguvali chit* dated *Hevilambi* 1837-38 written by Appellant's father which shows that No. 5 had been sold to the 1st Respondent's family. As regards No. 5 the Deputy Commissioner observed that the documents produced on either side could not be taken into consideration but that as 12 years' possession had been proved and admitted, the registry might be made in the name of the Respondents. As regards No. 72, the Deputy Commissioner remarked that the Appellant failed to disprove the document produced by the Respondents and that therefore the registry might be made in their names.

3. The Government observe that the present case neither falls under Clause 8 of Rule XXVI, because no registered documents have been produced, nor under Clause 10 which applies to cases in which no documents are produced. This being a case in which documents have been produced on both sides, Government consider that the parties should be referred to Civil Courts. The decision of the Deputy Commissioner will accordingly be cancelled. The possession of the Respondents will of course remain undisturbed.

Appeal No. 52 of 1892-93.

Appellant.	*Vs.*	*Respondent.*
Venkannaiya of Mirlé, Yedatore Taluk, Mysore District, represented by Mr. B. Srinivasaiengar.		Tippaiya.

Decision.—In 1877 Appellant's divided brother who was Shanbhog died without issue and his nephew, the Respondent, was appointed in his place in preference to the Appellant, as he refused to pay Government the balance (Rs. 62) due by the deceased out of the collections he had made. On appeal, however, the Division Commissioner directed in 1878 the appointment of the Appellant, but this order was not carried out till October 1883. In 1890, Appellant's charge was divided into 2 Firkas, and the Respondent brought a regular suit in February 1891 for one of the Firkas. The Deputy Commissioner decided in favor of the Respondent and the present appeal is against his decree.

2. The grounds on which the Deputy Commissioner decided in favor of the Respondent are:—

(1) that the office is a hereditary one to which the Respondent is as much entitled as the Appellant, and

(2) that up to the death of the Appellant's brother, the Respondent was receiving Rs. 5 per annum for his share from the office holder.

The Appellant's contention is that the office was the self-acquired property of his father and that the alleged payment of Rs. 5 to Respondent by his late brother is not true, but he has adduced no evidence to substantiate his statement.

3. The Government therefore see no reason to disturb the decision of the Deputy Commissoner. The appeal is dismissed.

Petitions Nos. 3380, 3426 and 3427 of 1892-93.

Appellants ... 1. Ranganna, Shanbhog. 2. Sanjivagauda, Patel. 3. Chinna Hanumaiya of Maragondanhalli, Bangalore Taluk.

Decision.—In August 1891, the 3rd Appellant applied for a piece of land (26 acres assessed at Rs. 18). The Shekdar after inspecting the land reported that the land contained 30 honge trees, 30 gall-nut plants, and 20 cart-loads of kaggal, dindiga and other fuel trees, all valued at Rs. 10. The statement showing the number of trees was also attested by the 1st and 2nd Appellants. The statement contains a remark that the land was overgrown with thorns and that the gall-nut trees were counted as far as possible. The Shekdar also reported, that it would take 10 or 12 years for gall-nut trees to come to bearing. The land was afterwards sold by a public auction, with the permission of the Amildar, on the 24th December 1891, and the 3rd Appellant purchased it for Rs. 10—8—0. The sale was confirmed by the Amildar on 23rd July 1892, and the 3rd Appellant put in possession of the land.

In September 1892, the raiyats of the village complained against the sale on the ground that the land was more valuable than the price it fetched, and that the locality was not pointed out at the time of sale. An enquiry was held, and it was found that the land contained 70 honge trees, 41 fruit-bearing

gall-nut trees, 39 plants of the same, and some fuel trees all valued at Rs. 29 and the Amildar thought the land with trees was worth Rs. 50.

No irregularity in the sale was discovered, but the Amildar doubted whether the sale proclamation had due publicity, seeing that the 3rd Appellant was the nephew of the 2nd Appellant.

On this, the Deputy Commissioner cancelled the sale on 3rd June 1893, on the ground that there was "a strong proof of fraudulent collusion" and degraded the Shekdar from Rs. 20 to 15 and suspended the 1st and 2nd Appellants for 3 and 6 months respectively. The appeal is against this order. On a careful perusal of the records, the Government do not consider that there was any fraud on the part of any of the Appellants. The Shekdar did report that it was impossible to count all the trees, and the difference between the correct number and value of trees, and the number and value first reported is small. If at all, the 1st and 2nd Appellants and the Shekdar were only guilty of want of sufficient care, for which the 3rd Appellant can in no way be blamed. Government therefore resolve to reverse the decision of the Deputy Commissioner so far as the cancellation of the sale is concerned.

As regards the 1st and 2nd Appellants, the Government consider that a fine of Rs. 10 each would be ample for their carelessness and direct that it be levied from them and their suspension cancelled.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Petition),—dated 5th September 1893.

No. 5062-96—Plt. 458, dated, Bangalore, 15th September 1893.

Order.—The vernacular records submitted for reference in appeals preferred to Government disclose great want of care in the arrangement of papers and the manner in which vernacular correspondence is carried on. Papers relating to different matters are found mixed up and stitched together without any regard to serial sequence of correspondence or to chronological order, and sometimes the material papers required for reference are not sent up. Flimsy papers of various sizes are often used and written upon over all available nook and corner, with the result that material portions thereof are found to have become worn out or illegible by the handling of the records. It is further noticed that no attention is paid to the importance of fair writing or correct spelling.

2. The following instructions are issued for guidance :—

(1.) Papers should be arranged and indexed in accordance with the instructions conveyed in paras 58 to 64 of the Circular printed at page 228 of the Revenue Manual of 1886.

(2.) A list of documents and account books produced for reference should be kept in each file, and the books if they are heavy should be kept unstitched separately in the file.

(3.) When more files than one are required to be sent for reference in any case, they should not be made into one file, but a list of the several files submitted should be put up.

(4.) The Sheristadar or other responsible Officer of the Office from which the records called for are transmitted should see that all the material papers are in the file and certify to that effect.

(5.) The system of leaving a small margin of unwritten space at both the left and right edges of a paper should be observed.

(6.) The same amount of care should be bestowed on the transcription of Canarese reports and orders as on the copying of English correspondence.

Letter No. 53, dated 29th May 1893, from the Deputy Commissioner Chitaldroog District, reporting on the application of H. S. Nanjunda Row of Davangere for a loan of Rs. 4,000 under the Land Improvement Loans Regulation.

No. 6127-34—Pet. F. 196-92, dated, Bangalore, 27th September 1893.

Order thereon.—The loan applied for is not for improving lands already under cultivation, but for reclaiming and clearing lands and rendering them culturable. Applications, for loans for improving lands under cultivation differ in their character from applications for loans for making lands culturable. If the loan is refused, the owner of lands in the former case will continue to hold them without making the desired improvement, as their retention will not entail

any loss upon him, and the lands will therefore never become valuable, while in the latter case, he will relinquish the lands and others, who have the means to incur the necessary outlay, will take them up.

2. The Deputy Commissioner is therefore requested to state in the present case whether the lands are not likely to be taken up by others if relinquished by the applicant.

3. The loan required is more than the estimated cost of the improvements to be effected. The security offered for it, may, as stated by the Deputy Commissioner, be ample, but that is not a sufficient consideration to induce Government to grant the loan because their object is not to secure interest. The Deputy Commissioner should satisfy himself that the whole of the loan applied for is actually required for the improvement of the land.

4. The loan cannot be granted in a lump sum as desired by the applicant, as the object of Government is to see that the money advanced is applied to the purpose required.

5. Final orders will be passed on receipt of the informations called for above.

READ :—

The following Note by the Officiating Chief Engineer of Mysore, dated 29th June 1893, on the Preliminary Issue of the Public Works Budget Estimates for the year 1893-94.

Note by the Offg. Chief Engineer of Mysore on Preliminary Issue of the Public Works Budget Estimates for the year 1893-94.

The Budget Estimates for 1893-94 amount to Rs. 29,65,155 or Rs. 2,39,468 less than the Final grant for 1892-93. This difference is principally due to the reduction of grants for the District Fund Budgets as sanctioned by Government in the General Department and to the small assets available under Irrigation Cess Fund, as reported by the Comptroller of Mysore.

The grants under the several Funds are detailed below, and compared with those of the previous year :—

	1893-94. Rs.	1892-93. Rs.
Provincial Fund	24,00,000	24,00,000
District Funds	3,97,155	5,57,623
Provincial Irrigation Fund	1,50,000	2,13,330
Palace Fund	18,000	34,000
Total.. ...	29,65,155	32,04,623

PROVINCIAL BUDGET.

2. The grant sanctioned for expenditure under this Budget is 24 lakhs. Of this amount more than one half, or Rs. 12,82,000, have been allotted as a grant-in-aid to Provincial Irrigation Fund for expenditure on Irrigation works and to cover the cost of establishment debitable thereto; the balance Rs. 11,18,000 has been reserved for Provincial works proper. The distribution of the amount by Service heads as compared with that of the previous year, will be found in abstract pages 2 and 3.

3. *Original.*—Under "Military," 5 new works and incomplete work of the previous year, have been provided for, with allotments aggregating Rs. 38,000. The Military Secretary has asked that provision be made for erecting new Barr Lines at Mysore, but this has not been complied with, Government having ordered that no new Military Buildings should be built at Mysore, until orders regarding the location of the Imperial Service Troops and Transport Service have been received. If the above prohibition be removed, funds for the Barr Lines at Mysore can be provided in the Final Budget, or by re-appropriation.

A sum of Rs. 2,000 has also been provided for Original Minor Works, and Rs. 5,000 for the maintenance of existing Military Buildings, making the total grant for Military works Rs. 45,000 against Rs. 55,000 for 1892-93. An alternative project costing nearly 2½ lakhs for improving and adding to the present Silahdar Lines at Bangalore is now before Government; should this be sanctioned during the year, a supplemental grant will be required.

4. Under "Civil Buildings" Rs. 2,89,000 have been provided, *viz.*, Rs. 2,39,000 for Major works, and Rs. 50,000 for Minor works. Of the former as much as Rs. 1,25,500 are required for the 25 incomplete Major works of 1892-93, leaving a balance of Rs. 1,13,500 for 20 new works proposed to be undertaken during the year, which are detailed in Part I of Budget. The principal new works proposed are (1) General Hospital

NOTE.—Orders regarding quarters for the Senior Surgeon with the Mysore Government at Mysore have not been yet received, for this a supplemental grant will have to be given if sanctioned.

at Bangalore, (2) Quarters for the Deputy Commissioner at Kolar, (3) a new Taluk Cutcherry at Hosdurga, (4) Out-houses to the Public Offices at Mysore, (5) Improving and adding to the old Treasury buildings at Mysore, (6) Constructing quarters for the Comptroller of Mysore, (7) Quarters for the officials of the Comptroller's office, Inspector General of Police, Military Secretary and Educational Secretary, (8) Constructing Munsiff's Court at Sagar. At the instance of the Senior Surgeon to the Government, provision for 6 new Dispensaries has also been made.

5. The grant for Minor works is Rs. 50,000. Under this head, a sum of Rs. 10,000 will be given for the construction of new Police Buildings to be undertaken, during the year (in addition to Rs. 17,000 provided for Major works in the Budget), and the balance will be utilized in providing (1) accommodation for in-patients in Local Fund Dispensaries, (2) in constructing houses for Barr guards attached to Taluk Cutcherries, and (3) in finishing off Minor works sanctioned during 1892-93.

6. Under "Communications," allotments aggregating Rs. 1,24,000 have been provided including the reserve grant of Rs. 21,000 for Minor works. Provision has been made for constructing 4 new Travellers' Bungalows, 4 Musafarkhanas, and 3 Inspection Lodges, in localities where accommodation for travellers and Inspecting officers is said to be absolutely required. More buildings of this kind have been asked for, but, owing to the limited funds available, they have not been provided. The Travellers' Bungalow at Gersoppa Falls, and improvements to the Bungalow on Kodachi Hill, provision for which has been made in the Budget, will, it is hoped, be completed, during the year. There is no Travellers' Bungalow at French Rocks, but the want will be supplied by utilizing the building now occupied by the Dispensary, as soon as a new Dispensary is constructed, as is proposed, near the Town.

For the new roads over the West and North-west glacis of the Fort at Mysore, a sum of Rs. 15,000 has been allotted. This amount, it is reported, is required for extending the railings to the North glacis as ordered by the Dewan. An allotment of Rs. 20,000 has been provided for the Yedatore bridge, which is now in progress, and the modified project called for from the Executive Engineer will be sanctioned in due course. Allotments aggregating Rs. 24,000 have been provided for improving and bridging some of the important Provincial roads in Kolar, Tumkur, Shimoga, Kadur and Hassan Districts. The proposed deviation at Mudenkoppa on Bangalore-Honnavar Road (Shimoga), for which a grant of Rs. 2,000 has been made in the Budget, is an urgent necessity to avoid the very trying gradients of the present road, and has been very strongly recommended by the Dasara Representatives.

A small allotment of Rs. 2,000 has been provided for bridging the Bhadra at Tadasa, the project for which is under investigation by the Executive Engineer.

The reserve grant of Rs. 21,000 provided under this head is required for the large number of incomplete Minor works of 1892-93, and for constructing Hindu Kitchens attached to the Travellers' Bungalows, supply of furniture and crockery, &c.

7. Under "Miscellaneous Public Improvements," Rs. 73,000 has been provided against Rs. 2,10,000 for 1892-93. The difference is due to the omission of all Sanitary, Drainage and Water-supply works in the present Budget, Government having ordered that such works should be provided for in a separate Sanitary Works Budget. The works under this head are mostly incomplete works connected with the improvements of the Mysore City.

8. *Repairs.*—The total grant under this head is Rs. 3,77,000 against Rs. 3,55,000 of the previous year, and the distribution of this amount is given below :—

Rs.	
5,000	under Military.
55,000	„ Civil Buildings.
3,10,000	„ Communications
7,000	„ Miscellaneous Public Improvements.

9. Owing to the increase in the number of buildings in the Province, it has been found necessary to augment the grant under "Repairs, Civil Buildings" from Rs. 45,000 to Rs. 55,000, to allow of all the buildings being properly maintained. Last year, for want of funds under this head, only very urgent repairs could be attended to.

10. The provision under "Communications" amounts to Rs. 3,10,000, or Rs. 12,000 more than that allotted for 1892-93. Of this amount, Rs. 2,50,035 are for the annual maintenance of the various Provincial, main and branch roads detailed in pages 58 and 59 of Budget aggregating 1,734 miles. The allotments for the several roads remain the same as those of the previous year, excepting that for Vastara-Koppa road, the mileage grant for which has been increased from Rs. 120 to Rs. 150. This increase is necessary considering the importance of the road on which there is always very heavy traffic. No less than Rs. 60,000 have been reserved under this head for the Special Repairs of such of the Provincial roads as require it, and for the annual repairs of Travellers' Bungalows, Musafarkhanas and Inspection Lodges all over the Province.

11. Under "Miscellaneous Public Improvements," Rs. 7,000 have been provided for the annual maintenance of Sankey's Tank in Bangalore and Kukarhalli Reservoir in Mysore, and for other works of the kind elsewhere.

DISTRICT FUND BUDGET.

12. The grants sanctioned by Government in the General Department under this Budget for the several Districts, for works to be executed by the Public Works Department, aggregate Rs. 3,97,155 against the Budget grant of Rs. 5,57,623 for 1892-93, and actual outlay of Rs. 5,98,821 for 1891-92.

The distribution of the amount under Service heads and divisions is given in Abstract pages 8 and 9.

13. The draft Budgets of the several Districts as submitted by Deputy Commissioners have been modified in the General Department to accord with the District Fund Assets available in each District. On this account, several new projects brought forward have been disallowed. In some instances, the lump sum grants reserved under "Original and Repairs Communications" for incomplete Minor works and urgent unforeseen works, as curtailed, will not, it is feared, be sufficient for the completion of such works, in which case, a further reference will be addressed to the General Department in due course.

However, the District Fund Budgets of the District as sanctioned by Government, have been adopted.

PROVINCIAL IRRIGATION FUND.

14. The total assets under "Irrigation Cess Fund," available for expenditure during 1893-94, only amount to Rs. 1,50,825 as intimated by the Comptroller of Mysore, against Rs. 2,13,000 of 1892-93 and Rs. 3,70,000 of 1891-92.

With the grant-in-aid from the Provincial Funds to the Provincial Irrigation Fund of Rs. 12,82,000, the total grant under this Budget will stand at Rs. 14,32,000 against Rs. 13,63,000 of previous year. Of this grant, Rs. 10,09,000 have been allotted for Original Works, Rs. 1,73,343 for Repairs, and the balance Rs. 2,49,657 for Establishment.

Under "Original," provision has been made for 254 Major works detailed in Part I of the Budget (pages 29 to 54), and no less than 139 of these are incomplete works of previous year, absorbing Rs. 6,78,500 of the grant allotted under this head. Rs. 2,94,000 have been assigned for new works, several of which have been brought forward from the Budget of the previous year as projects for them were not ready, or sanctioned, in time for the works being undertaken in that year. An allotment of Rs. 50,000 has been provided in the Budget for improving the Hessarghatta Tank in Bangalore Division as an irrigation work, as ordered by Government, and a project for this will be submitted as early as possible. In the Kolar Division, the 3 new large reservoirs, *viz.*, Ramasamudram, Srinivasasagara and Venkatesasagara are approaching completion, and will be completed during 1893-94. A revised project for the Venkatesasagara is under preparation by the Executive Engineer, and will be sent to Government for formal sanction in due course. The Borankanave work in Tumkur Division is also approaching completion.

For the right bank channel from the Alalkatte Anikat (Mysore Division), a project that was suggested by the Dewan, Rs. 60,000 have been provided in the Budget. The work of tracing out this channel is in progress under an Assistant Engineer specially deputed for the purpose, and an estimate for this will be prepared, should the line prove feasible. A separate report on this project will be submitted after the preliminary surveys are completed. The improvements to the Hulhalli Channel, for which Rs. 1,00,000 has been provided, are progressing satisfactorily, as also the Sulikere Tank (allotment of Rs. 25,000) in Malvalli Taluk of French Rocks Division. In Shimoga Division, the restoration of Sulikere Tank, and the Sidden and Basvan Channels (allotment Rs. 15,000), which have been in hand since October 1891, will be completed during 1893-94, as also the extension of the north Sriramadevar Channel (Rs. 10,000).

Minor Irrigation Works.—Under this head a sum of Rs. 36,500 has been provided or an average of Rs. 4,056 for each Division.

Under "Repairs," Rs. 1,73,343 have been provided for the maintenance of the tanks already restored, and for the Government share of work required to minor tanks to be dealt with in the Revenue Department under the Minor Tanks' Restoration Scheme. It also includes Rs. 42,115 required for the annual repairs of the river channels in Mysore and Hassan Districts, measuring 845½ miles, as detailed in page 69 of the Budget.

ESTABLISHMENT.

15. The total charges under this head aggregate Rs. 5,13,000 against Rs. 5,10,000 for 1892-93. The slight increase occurs under direction. The pay of Sanitary Engineer with Government and his office establishment has not been included in this Budget, as it is provided for in the Sanitary Works Budget for 1893-94, which will be submitted shortly.

The establishment charges are 17·5 per cent on the total grant of Rs. 29,65,155. The ratable distribution of the charges to the several Budgets (Palace excepted) is as noted below :—

				Rs.
Provincial Fund	...	17 per cent	...	1,95,000
Irrigation Fund	...	do	...	2,49,657
District Funds	...	do	...	68,543

GENERAL REMARKS.

16. The probable requirements under "Palace Funds" have been fixed at Rs. 18,000, of which Rs. 15,000 are for "Constructing an enclosure wall to the Palace grounds at Bangalore," a work now in progress under an estimate of Rs. 25,556 sanctioned in December 1892. The re-alignment, &c., of the compound wall to the north, ordered in Dewan's Memo of 14th June 1893, is receiving attention.

Rs. 1,500 each under "Original" and "Repairs" have been provided for unforeseen Minor works, and for the annual repairs necessary to the Palace Buildings at Bangalore during 1893-94.

In the Budget for 1892-93, 101 unsanctioned works were entered with the remark that projects for them were under preparation, but although that year is now at a close, projects for no less than 56 of these works have not yet come in, and they have again been brought forward by Executive Engineers in their draft Budgets for 1893-94. It is clear from this that the present executive establishment is quite unequal to the work expected of it, and that it needs strengthening, as urged by Colonel Campbell in his Note, dated 24th March 1893. As suggested by the Dewan, a Circular has been issued to all Executive Engineers calling on them to submit their opinion as to the most effective and economical manner in which to increase the Public Works Department Establishment.

No. 4103-32—764-92, DATED, BANGALORE, 15TH SEPTEMBER 1893.

ORDER THEREON.—The estimates for 1893-94 provide for—

		Rs.
(1)	Original works	16,60,400
(2)	Repairs	7,69,805
(3)	Establishment	5,13,000
(4)	Tools and Plant	21,950
		29,65,155

2. With regard to the Barr Lines required at Mysore attention is drawn to the Dewan's order, dated 15th July 1893, in which it was stated that something should be done this year for constructing the lines as far as the funds already given go. The estimate submitted for improving and adding to the present Silahdar Lines at Bangalore was not approved as it was too extravagant. The Military Secretary has been asked to state what the minimum requirements really are, and pending his reply, no provision can be made in the Budget.

3. The construction of a house for the Senior Surgeon to Government at Mysore having been sanctioned on the 12th July 1893, the necessary provision should be made for it in the Final Budget.

4. The following table shows the number of Original Major Works in hand for which provision is made in the Budget under review :—

Proceedings of the Government of His Highness the Maharaja of Mysore, (Public Works),—dated 15th September 1893.

Among the new works for which provision has been made pending the preparation of estimates are those for improving the Hessarghatta Tank and taking off a right bank channel from the Alaikatte Anikat.

6. The establishment charges amount to 17 per cent of the total grant against 16 per cent in 1892-93. The amount entered is almost the same as in 1892-93, but the percentage is larger as the total grant is less this year than in 1892-93 by Rs. 2,39,468. It may, however, be remarked that the grant allowed by the Budget is not always worked to its full extent owing to estimates for some of the projects not being ready. If the amount which remains unutilized on this account be omitted from calculation, the percentage would be somewhat higher.

7. With the above observations the preliminary issue of Public Works Budget Estimates for 1893-94 including the grant of Rs. 18,000 from the Palace Funds is hereby sanctioned for Rs. 29,65,155.
